# S. 2497

To ensure that families of members of the National Guard and Reserve have full access to mental health care during the mobilization, deployment, and demobilization of such members, and for other purposes.

#### IN THE SENATE OF THE UNITED STATES

December 18, 2007

Ms. Klobuchar introduced the following bill; which was read twice and referred to the Committee on Armed Services

## A BILL

To ensure that families of members of the National Guard and Reserve have full access to mental health care during the mobilization, deployment, and demobilization of such members, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. ACCESS TO MENTAL HEALTH CARE OF FAMILIES OF MEMBERS OF THE NATIONAL GUARD

AND RESERVE DURING THEIR MOBILIZATION, DEPLOYMENT, AND DEMOBILIZATION.

(a) FINDINGS.—Congress makes the following find-

- 1 (1) The members of the National Guard and 2 Reserve have made extraordinary contributions to 3 Operation Iraqi Freedom and Operation Enduring 4 Freedom.
  - (2) The scope and scale of recent mobilizations and deployments of members of the National Guard and Reserve is unprecedented in the modern history of the Armed Forces.
  - (3) The frequency and length of such mobilizations and deployments has placed significant strain on the family members of deployed members.
  - (4) The Department of Defense Task Force on Mental Health determined that family members of deployed members of the National Guard and Reserve are more likely to experience mental health challenges as a result of these mobilizations and deployments.
  - (5) The Department of Defense Task Force on Mental Health also determined that family members of deployed members of the National Guard and Reserve are less likely to have ready access to mental health care during periods of deployment.
  - (6) Family members of members of the National Guard and Reserve often live far from military installations that are the primary locations for

2	Defense.
3	(7) Adequate support for family members of de-
4	ployed members of the Armed Forces is critical to
5	maintaining morale, both on the battlefield and on
6	the home front.
7	(b) Sense of Congress.—It is the sense of Con-
8	gress that the Department of Defense should undertake
9	appropriate actions to ensure that family members of
10	members of the National Guard and Reserve who are de-
11	ployed have full access to mental health care during the
12	periods of mobilization, deployment, and demobilization of
13	such members of the National Guard and Reserve.
14	(c) Initiative To Increase Access to Mental
15	HEALTH CARE.—
16	(1) IN GENERAL.—The Secretary of Defense
17	shall undertake a nationwide initiative intended to
18	increase access to mental health care for family
19	members of members of the National Guard and Re-
20	serve who are mobilized.
21	(2) Elements.—The initiative shall include
22	the following:
23	(A) Programs and activities to educate the
24	family members of members of the National
25	Guard and Reserve who are mobilized on poten-

- tial mental health challenges connected with
   such mobilization.
  - (B) Programs and activities to provide such family members with complete information on all mental health care resources available to such family members through the Department of Defense and otherwise.
  - (C) Requirements for mental health counselors at military installations in communities with large numbers of mobilized members of the National Guard and Reserve to expand the reach of their counseling activities to include families of such members in such communities.

### (d) MENTAL HEALTH CARE UNDER TRICARE.—

(1) In General.—Under such regulations as the Secretary of Defense shall prescribe, reimbursement shall be provided under the TRICARE program under chapter 55 of title 10, United States Code, for any mental health care specified in paragraph (3) that is provided to a family member of a covered member of the National Guard or Reserve during the period of deployment of such covered member of the National Guard or Reserve as described in paragraph (2).

- (2) Covered members of the National GUARD OR RESERVE.—For purposes of this sub-section, a covered member of the National Guard or Reserve is any member of the National Guard or Re-serve on active duty for more than 30 days for a de-ployment in connection with Operation Iraqi Free-dom or Operation Enduring Freedom who, while so on active duty, is covered by the TRICARE program on a for self and family basis.
  - (3) MENTAL HEALTH CARE.—The mental health care specified in this paragraph is mental health care as follows:
    - (A) Mental health care otherwise provided to covered dependents of members of the uniformed services under the TRICARE program.
    - (B) Any mental health care and treatment that is provided at a facility accredited by the Joint Commission on Accreditation of Healthcare Organizations.
    - (C) Any mental health care and treatment that is provided at a facility accredited by a State-accrediting institution, including a facility not otherwise recognized as an authorized provider under the TRICARE program.

1	(D) Chemical dependency treatment at any
2	partial hospital program, substance-abuse dis-
3	order rehabilitation facility, or residential treat-
4	ment center accredited by the Joint Commis-
5	sion on Accreditation of Healthcare Organiza-
6	tions or by a State-accrediting institution.
7	(4) Effective date.—This subsection shall
8	take effect on January 1, 2008.
9	(e) Reports.—
10	(1) In general.—Not later than 180 days
11	after the date of the enactment of this Act, and
12	every 180 days thereafter, the Secretary of Defense
13	shall submit to the Committees on Armed Services
14	of the Senate and the House of Representatives a
15	report on this section.
16	(2) Elements.—Each report shall include the
17	following:
18	(A) A current assessment of the extent to
19	which family members of members of the Na-
20	tional Guard and Reserve who are deployed
21	have access to, and are utilizing, mental health
22	care available under this section.
23	(B) A current assessment of the quality of
24	mental health care being provided d to family

members of the National Guard and Reserve

who are deployed at State-accredited treatment centers.

(C) Such recommendations for legislative or administrative action as the Secretary considers appropriate in order to further assure full access by family members of members of the National Guard and Reserve who are deployed to mental health care during the mobilization, deployment, and demobilization of such members of the National Guard and Reserve.
