6 (1) may authorize the heads of DoD labora-  
7 tories to grant nonexclusive, exclusive, or partially  
8 exclusive licenses, royalty free or for royalties or for  
9 rights to other intellectual property, for computer

15          ments so transferred to any DoD laboratory may be  
16          used or obligated by that laboratory during the fiscal  
17          year in which they are received or during the 2 suc-  
18          ceeding fiscal years—

3       laboratory for research, development, engineering,  
4       testing and evaluation or other related administra-  
5       tive, processing or value-added activities for that  
6       year, 75 percent of such excess shall be paid to the  
7       Treasury of the United States and the remaining 25  
8       percent may be used or obligated under paragraph  
9       (1)(B). Any funds not so used or obligated shall be  
10      paid into the Treasury of the United States.

11           (3) Any payment made to an employee under  
12      this section shall be in addition to the regular pay

16      to which he is otherwise entitled or for which he is  
17      otherwise eligible or limit the amount thereof except  
18      that the monetary value of an award for the same
