

110TH CONGRESS
2D SESSION

S. CON. RES. 81

Supporting the goals and ideals of National Women's Health Week.

IN THE SENATE OF THE UNITED STATES

MAY 7, 2008

Mr. FEINGOLD (for himself, Ms. SNOWE, Ms. MIKULSKI, and Mr. DODD) submitted the following concurrent resolution; which was considered and agreed to

CONCURRENT RESOLUTION

Supporting the goals and ideals of National Women's Health Week.

Whereas women of all backgrounds have the power to greatly reduce their risk of common diseases through preventive measures, such as leading a healthy lifestyle that includes engaging in regular physical activity, eating a nutritious diet, and visiting a healthcare provider to receive regular check-ups and preventative screenings;

Whereas significant disparities exist in the prevalence of disease among women of different backgrounds, including women with disabilities, African-American women, Asian-Pacific Islander women, Latinas, and American Indian-Alaska Native women;

Whereas healthy habits should begin at a young age;

Whereas preventive care saves Federal dollars designated for health care;

Whereas it is important to educate women and girls about the significance of awareness of key female health issues;

Whereas the offices of women’s health within the Department of Health and Human Services, the Food and Drug Administration, the Centers for Disease Control and Prevention, the Health Resources and Services Administration, the National Institutes of Health, and the Agency for Healthcare Research and Quality are vital to providing critical services that support women’s health research and education and other necessary services that benefit women of all ages, races, and ethnicities;

Whereas National Women’s Health Week begins on Mother’s Day each year and celebrates the efforts of national and community organizations that work with partners and volunteers to improve awareness of key women’s health issues; and

Whereas, in 2008, the week of May 11 through May 17 is dedicated as National Women’s Health Week: Now, therefore, be it
