## CONCURRENT RESOLUTION

Supporting the goals and ideals of National Homeless  
Persons' Memorial Day.

Whereas more than 500,000 people in the United States do  
not have a place to call home each night and half of them  
are without shelter;

Whereas nationwide each year, an estimated 2,000,000 peo-  
ple experience homelessness;

Whereas adequate housing is essential for healthy families  
and communities;

Whereas housing has become increasingly inaccessible due to rising costs and a shortage of rental and single-family housing;

Whereas a recent study published in the May 13, 2010, American Journal of Public Health has shown that over 70 percent of people experiencing homelessness have at least one unmet health need and almost half report two or more;

Whereas the mortality rate among homeless populations has been shown to be almost four times that of the general population;

Whereas every member of society, including individuals experiencing homelessness, deserves the dignity of safe, decent, accessible, and affordable housing;

Whereas the President and Congress were presented on June 22, 2010, “Opening Doors: Federal Strategic Plan to Prevent and End Homelessness” which describes how the Federal Government will partner with States, local communities, nonprofit organizations, and the private sector;

Whereas remembering that winter poses extreme hardships for inadequately housed low-income men, women, and children across the United States, the National Coalition for the Homeless and the National Healthcare for the Homeless Council will hold memorial services on December 21, 2010, for those who die each year because of conditions associated with homelessness;

Whereas December 21, 2010, is the first day of winter and the longest night of the year;

Whereas the spirit of the holiday season provides an opportunity for affirmation and renewal regarding the commit-

ment to ending homelessness and promoting compassion and concern for all, especially the homeless;

Whereas in remembering those who died on the streets, the cause of ending homelessness is kept urgent as is the Nation's collective commitment to preventing such deaths in the future; and

Whereas National Homeless Persons' Memorial Day is recognized on December 21, 2010: Now, therefore, be it
