14 income individuals for that community;

15 (E) demonstrates the coalition's ability to

14 tainability of the system of care;

15 (I) describes a plan for evaluation of the

20 (J) demonstrates fiscal responsibility
21 through the use of appropriate accounting pro-

2 poor; and

3 (L) includes such other information as the
4 Secretary may prescribe.

5 (c) LIMITATIONS.—

6 (1) IN GENERAL.—An eligible entity may re-
7 ceive a grant under this section for 3 consecutive fis-
8 cal years and may receive such a grant award for 2

10 (A) the eligible entity submits to the Sec-
11 retary a request for a grant for such additional
12 years;

13 (B) the Secretary determines that current
14 performance justifies the granting of such a re-
15 quest; and

21 (1) may accord priority to applicants that dem-
22 onstrate the greatest extent of unmet need in the
23 community for a more coordinated system of care;
24 and

1 (2) shall accord priority to applicants that best
2 promote the objectives of this section, taking into

5 graphical area has a high or increasing percent-
6 age of individuals who are uninsured or low-in-
7 come;

8 (B) demonstrates that the applicant has
9 included in its community coalition providers,
10 support systems, and programs that have a tra-
11 dition of serving individuals and families in the
12 community who are uninsured or earn below
13 200 percent of the Federal poverty level;

14 (C) shows evidence that the proposed coali-
15 tion activities would expand utilization of pre-
16 ventive and primary care services for uninsured
17 and underinsured individuals and families in
18 the community, including pharmaceuticals, be-
19 havioral and mental health services, oral health
20 services, or substance abuse services;

21 (D) proposes approaches that would im-
22 prove coordination between health care pro-
23 viders and appropriate social service providers;

24 (E) demonstrates collaboration with State
25 and local governments;

2 use of non-Federal contributions to the greatest

19 priate primary, secondary, and tertiary
20 care and oral health, substance abuse, be-

3 have been possible in the absence of the activi-
4 ties conducted by such grantee.

5 (g) MAINTENANCE OF EFFORT.—With respect to ac-
6 tivities for which a grant under this section is authorized,
7 the Secretary may award such a grant only if the applicant
