

111TH CONGRESS
1ST SESSION

H. R. 3061

To require the Secretary of the Interior to assess the irrigation infrastructure of the Pine River Indian Irrigation Project in the State of Colorado and provide grants to, and enter into cooperative agreements with, the Southern Ute Indian Tribe to assess, repair, rehabilitate, or reconstruct existing infrastructure, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JUNE 25, 2009

Mr. SALAZAR introduced the following bill; which was referred to the
Committee on Natural Resources

A BILL

To require the Secretary of the Interior to assess the irrigation infrastructure of the Pine River Indian Irrigation Project in the State of Colorado and provide grants to, and enter into cooperative agreements with, the Southern Ute Indian Tribe to assess, repair, rehabilitate, or reconstruct existing infrastructure, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Pine River Indian Irri-
5 gation Project Act of 2009”.

1 **SEC. 2. FINDINGS; PURPOSE.**

2 (a) FINDINGS.—Congress finds that—

3 (1) drought, population increases, and environ-
4 mental needs are exacerbating water supply issues
5 across the western United States, including on the
6 Southern Ute Indian Reservation in southwestern
7 Colorado;

8 (2)(A) a report of the Government Account-
9 ability Office dated 2006 identified significant issues
10 with the Pine River Indian Irrigation Project, in-
11 cluding the issue that, at the time of the study, the
12 Bureau of Indian Affairs estimated that total de-
13 ferred maintenance costs for the Project exceeded
14 \$20,000,000; and

15 (B) other estimates have placed those costs at
16 more than \$60,000,000;

17 (3) the report of the Government Accountability
18 Office demonstrates that key facilities of the Project
19 are severely deteriorated;

20 (4) operations and maintenance fees are not
21 sufficient to address the condition of the Project,
22 even though the Bureau of Indian Affairs has
23 sought to double those fees, from \$8.50 to \$17, in
24 recent years;

25 (5) the report of the Government Accountability
26 Office also notes that a prior study done by the Bu-

1 reau of Reclamation determined that water users
2 could not afford to pay operations and maintenance
3 fees of \$8.50 and operate a profitable farming oper-
4 ation;

5 (6) the benefits of rehabilitating and repairing
6 the irrigation infrastructure of the Project include—

7 (A) water conservation;

8 (B) extending available water supply;

9 (C) increased agricultural production;

10 (D) economic benefits;

11 (E) safer facilities; and

12 (F) the preservation of the culture of the
13 Southern Ute Indian Tribe;

14 (7) while, as of the date of enactment of this
15 Act, the Project is managed by the Bureau of Indian
16 Affairs, the Southern Ute Indian Tribe also receives
17 water from facilities owned or operated by the Bu-
18 reau of Reclamation; and

19 (8) rehabilitation and repair of the infrastruc-
20 ture of the Project by the Bureau of Reclamation
21 would improve—

22 (A) overall water management; and

23 (B) the ability of the Southern Ute Indian
24 Tribe and the Bureau of Reclamation to ad-
25 dress potential water conflicts.

1 (b) PURPOSE.—The purpose of this Act is to require
2 the Secretary of the Interior—

3 (1) to assess the condition of infrastructure of
4 the Pine River Indian Irrigation Project;

5 (2) to establish priorities for the rehabilitation
6 of irrigation infrastructure within the Project ac-
7 cording to specified criteria; and

8 (3) to implement rehabilitation activities for the
9 irrigation infrastructure of the Project.

10 **SEC. 3. DEFINITIONS.**

11 In this Act:

12 (1) PROJECT.—The term “Project” means the
13 Pine River Indian Irrigation Project.

14 (2) SECRETARY.—The term “Secretary” means
15 the Secretary of the Interior.

16 (3) STATE.—The term “State” means the State
17 of Colorado.

18 (4) TRIBAL COUNCIL.—The term “Tribal Coun-
19 cil” means the Southern Ute Indian Tribal Council.

20 (5) TRIBE.—The term “Tribe” means the
21 Southern Ute Indian Tribe.

22 **SEC. 4. STUDY OF IRRIGATION INFRASTRUCTURE OF**
23 **PROJECT.**

24 (a) STUDY.—

1 (1) IN GENERAL.—As soon as practicable after
2 the date of enactment of this Act, the Secretary, in
3 consultation with the Tribe, shall—

4 (A) conduct a study of the irrigation infra-
5 structure of the Project; and

6 (B) based on the results of the study, de-
7 velop a list of activities (including a cost esti-
8 mate for each activity) that are recommended
9 to be implemented during the 10-year period
10 beginning on the date of completion of the
11 study to repair, rehabilitate, or reconstruct that
12 irrigation infrastructure.

13 (2) FACTORS FOR CONSIDERATION.—

14 (A) IN GENERAL.—In developing the list
15 under paragraph (1)(B), the Secretary shall
16 give priority to activities based on—

17 (i) a review of the priority factors de-
18 scribed in subparagraph (B) with respect
19 to the activity;

20 (ii) recommendations of the Tribe, if
21 any; and

22 (iii) a consideration of the projected
23 benefits of each activity on completion of
24 the Project.

1 (B) PRIORITY FACTORS.—The priority fac-
2 tors referred to in subparagraph (A)(i) are—

3 (i) any threat to the health and safety
4 of—

5 (I) a member of the Tribe;

6 (II) an employee of the irrigation
7 operations and maintenance program
8 of the Bureau of Indian Affairs; or

9 (III) the general public;

10 (ii) the extent of disrepair of the irri-
11 gation infrastructure of the Project and
12 the effect of the disrepair on the ability of
13 users of the Project to irrigate agricultural
14 land using that irrigation infrastructure;

15 (iii) whether, and the extent to which,
16 the repair, rehabilitation, or reconstruction
17 of the irrigation infrastructure of the
18 Project would provide an opportunity to
19 conserve water;

20 (iv)(I) the economic and cultural im-
21 pacts the irrigation infrastructure of the
22 Project that is in disrepair has on the
23 Tribe; and

24 (II) the economic and cultural bene-
25 fits that the repair, rehabilitation, or re-

1 construction of that irrigation infrastruc-
2 ture would have on the Tribe;

3 (v) the opportunity to address water
4 supply or environmental conflicts if the ir-
5 rigation infrastructure of the Project is re-
6 paired, rehabilitated, or reconstructed; and

7 (vi) the overall benefits of the activity
8 to efficient water operations on the land of
9 the Tribe.

10 (3) CONSULTATION.—In carrying out the study
11 under this subsection, the Secretary shall consult
12 with the Assistant Secretary for Indian Affairs and
13 other relevant Federal and local officials to evaluate
14 the extent to which programs under the jurisdiction
15 of each Federal and local agency may be used to de-
16 velop—

17 (A) the list of activities under paragraph
18 (1)(B); or

19 (B) the report under subsection (b).

20 (b) REPORT.—

21 (1) IN GENERAL.—Not later than 18 months
22 after the date of enactment of this Act, the Sec-
23 retary shall submit to the Committee on Energy and
24 Natural Resources of the Senate, the Committee on

1 Natural Resources of the House of Representatives,
 2 and the Tribe a report that includes—

3 (A) the list of activities recommended for
 4 implementation under subsection (a)(1)(B); and

5 (B) any findings of the Secretary with re-
 6 spect to—

7 (i) the study under subsection (a);

8 (ii) consideration of the factors de-
 9 scribed in subsection (a)(2); and

10 (iii) any consultation required under
 11 subsection (a)(3).

12 (2) BIENNIAL REVIEW.—Not later than 2 years
 13 after the date on which the Secretary submits the
 14 report under paragraph (1) and every 2 years there-
 15 after, the Secretary, in consultation with the Tribe,
 16 shall—

17 (A) review the report; and

18 (B) update the list of activities under sub-
 19 section (a)(1)(B) in accordance with each factor
 20 described in subsection (a)(2), as the Secretary
 21 determines to be appropriate.

22 **SEC. 5. IRRIGATION INFRASTRUCTURE GRANTS AND**
 23 **AGREEMENTS.**

24 (a) IN GENERAL.—Subject to subsection (b), the Sec-
 25 retary may provide grants to, and enter into cooperative

1 agreements with, the Tribe to plan, design, construct, or
2 otherwise implement any activity to repair, rehabilitate,
3 reconstruct, or replace irrigation infrastructure of the
4 Project, if the activity is recommended for implementation
5 on the list under section 4(a)(1)(B).

6 (b) LIMITATION.—Assistance provided under sub-
7 section (a) shall not be used for any on-farm improvement.

8 (c) CONSULTATION AND COORDINATION.—In pro-
9 viding assistance under subsection (a), the Secretary
10 shall—

11 (1) consult with, and obtain the approval of, the
12 Tribe;

13 (2) consult with the Assistant Secretary for In-
14 dian Affairs; and

15 (3) as appropriate, coordinate the activity with
16 any work being conducted under the irrigation oper-
17 ations and maintenance program of the Bureau of
18 Indian Affairs.

19 (d) COST SHARING REQUIREMENT.—

20 (1) IN GENERAL.—Except as provided in para-
21 graph (2), the Federal share of the total cost of car-
22 rying out an activity using assistance under sub-
23 section (a) shall be not more than 75 percent.

1 (2) EXCEPTION.—The Secretary may waive or
2 limit the non-Federal share required under para-
3 graph (1) on request of the Tribe.

4 **SEC. 6. EFFECT OF ACT.**

5 (a) WATER RIGHTS OF TRIBE.—Nothing in this Act
6 (including the implementation of any activity carried out
7 in accordance with this Act) affects any right of the Tribe
8 to receive, divert, store, or claim a right to water, includ-
9 ing the priority of right and the quantity of water associ-
10 ated with the water right under Federal or State law.

11 (b) STATE WATER LAW.—Nothing in this Act pre-
12 empts or affects—

13 (1) any provision of water law of the State; or

14 (2) any interstate compact governing water.

15 **SEC. 7. AUTHORIZATION OF APPROPRIATIONS.**

16 (a) STUDY.—There is authorized to be appropriated
17 to carry out the study under section 4 \$4,000,000.

18 (b) IRRIGATION INFRASTRUCTURE GRANTS AND
19 AGREEMENTS.—There is authorized to be appropriated to
20 carry out section 5 \$10,000,000 for each of fiscal years
21 2010 through 2015.
