111TH CONGRESS
1ST SESSION

H. R. 3217

To amend the Public Health Service Act to provide for cooperative governing of individual health insurance coverage offered in interstate commerce.

IN THE HOUSE OF REPRESENTATIVES

JULY 14, 2009

Mr. SHADEGG (for himself, Mr. GARRETT of New Jersey, and Mrs. BACHMANN) introduced the following bill; which was referred to the Committee on Energy and Commerce

---

A BILL

To amend the Public Health Service Act to provide for cooperative governing of individual health insurance coverage offered in interstate commerce.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as ''Health Care Choice Act of 2009''.

SEC. 2. SPECIFICATION OF CONSTITUTIONAL AUTHORITY FOR ENACTMENT OF LAW.

This Act is enacted pursuant to the power granted Congress under article I, section 8, clause 3, of the United States Constitution.

SEC. 3. FINDINGS.

Congress finds the following:

(1) The application of numerous and significant variations in State law impacts the ability of insurers to offer, and individuals to obtain, affordable individual health insurance coverage, thereby impeding commerce in individual health insurance coverage.

(2) Individual health insurance coverage is increasingly offered through the Internet, other electronic means, and by mail, all of which are inherently part of interstate commerce.

(3) In response to these issues, it is appropriate to encourage increased efficiency in the offering of individual health insurance coverage through a collaborative approach by the States in regulating this coverage.

(4) The establishment of risk-retention groups has provided a successful model for the sale of insurance across State lines, as the acts establishing those groups allow insurance to be sold in multiple States but regulated by a single State.

SEC. 4. COOPERATIVE GOVERNING OF INDIVIDUAL HEALTH INSURANCE COVERAGE.

(a) IN GENERAL.—Title XXVII of the Public Health Service Act (42 U.S.C. 300gg et seq.) is amended by adding at the end the following new part:

''(1) make unlawful, or regulate, directly or indirectly, the operation of the health insurance issuer operating in the secondary State, except that any secondary State may require such an issuer—
