(1) Firearm traces are designed to assist law enforcement authorities in conducting investigations by tracking the sale and possession of specific firearms. Law enforcement agencies may request firearms traces for any reason, and those reasons are not necessarily reported to the Federal Government. Not

all firearms used in crime are traced and not all firearms traced are used in crime.

(2) Firearms selected for tracing are not chosen for purposes of determining which types, makes, or models of firearms are used for illicit purposes. The firearms selected do not constitute a random sample and should not be considered representative of the larger universe of all firearms used by criminals, or any subset of that universe. Firearms are normally traced to the first retail seller, and sources reported for firearms traced do not necessarily represent the sources or methods by which firearms in general are acquired for use in crime.

The results shall be made available in redacted form to exclude—

(2) sensitive personal information for any individual, the public access to which could be used to commit identity theft or for other inappropriate or unlawful purposes.

(c) A grant or contract funded by amounts appropriated by this Act may not be used for the purpose of defraying the costs of a banquet or conference that is not directly and programmatically related to the purpose for which the grant or contract was awarded, such as a banquet or conference held in connection with planning, training, assessment, review, or other routine purposes related to a project funded by the grant or contract.

(d) Any person awarded a grant or contract funded by amounts appropriated by this Act shall submit a statement to the Secretary of Commerce, the Attorney General, the Administrator, Director, or President, as appropriate, certifying that no funds derived from the grant or contract will be made available through a subcontract or in any other manner to another person who has a financial interest in the person awarded the grant or contract.

(e) The provisions of the preceding subsections of this section shall take effect 30 days after the date on which the Director of the Office of Management and Budget, in consultation with the Director of the Office of Government Ethics, determines that a uniform set of rules and requirements, substantially similar to the requirements in such subsections, consistently apply under the executive branch ethics program to all Federal departments, agencies, and entities.

(b) The foregoing exemption from obtaining an export license—

(1) does not exempt an exporter from filing any Shipper's Export Declaration or notification letter required by law, or from being otherwise eligible under the laws of the United States to possess, ship, transport, or export the articles enumerated in subsection (a); and

(2) does not permit the export without a license of—

(A) fully automatic firearms and components and parts for such firearms, other than for end use by the Federal Government, or a Provincial or Municipal Government of Canada;

(B) barrels, cylinders, receivers (frames) or complete breech mechanisms for any firearm listed in Category I, other than for end use by the Federal Government, or a Provincial or Municipal Government of Canada; or

(C) articles for export from Canada to another foreign destination.

(d) The President may require export licenses under this section on a temporary basis if the President determines, upon publication first in the Federal Register, that the Government of Canada has implemented or maintained inadequate import controls for the articles specified in subsection (a), such that a significant diversion of such articles has and continues to take place for use in international terrorism or in the escalation of a conflict in another nation. The President shall terminate the requirements of a license when reasons for the temporary requirements have ceased.

SEC. 521. Notwithstanding any other provision of law, no department, agency, or instrumentality of the United States receiving appropriated funds under this Act or any other Act shall obligate or expend in any way such funds to pay administrative

Funds appropriated by this Act, or made available by the transfer of funds in this Act, for intelligence or intelligence related activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 414) during fiscal year 2010 until the enactment of the Intelligence Authorization Act for fiscal year 2010.

SEC. 747. (a) DEFINITIONS.—For purposes of this section the following definitions apply:

(1) The term “covered manufacturer” means—

(A) an automobile manufacturer in which the United States Government has an ownership interest, or to which the Government has provided financial assistance under

title I of the Emergency Economic Stabilization Act of 2008; or

(B) an automobile manufacturer which acquired more than half of the assets of an automobile manufacturer in which the United States Government has an ownership interest, or to which the Government has provided financial assistance under title I of the Emergency Economic Stabilization Act of 2008.

(2) The term “covered dealership” means an automobile dealership that had a franchise agreement for the sale and service of vehicles of a brand or brands with a covered manufacturer in effect as of October 3, 2008, and such agreement was terminated, not assigned in the form existing on October 3, 2008 to another covered manufacturer in connection with an acquisition of assets related to the manufacture of that vehicle brand or brands, not renewed, or not continued during the period beginning on October 3, 2008, and ending on December 31, 2010.

(b) A covered dealership that was not lawfully terminated under applicable State law on or before April 29, 2009, shall have the right to seek, through binding arbitration, continuation, or reinstatement of a franchise agreement, or to be added as a franchisee to the dealer network of the covered manufacturer in the geographical area where the covered dealership was located when its franchise agreement was terminated, not assigned, not renewed, or not continued. Such continuation, reinstatement, or addition shall be limited to each brand owned and manufactured by the covered manufacturer at the time the arbitration commences, to the extent that the covered dealership had been a dealer for such brand at the time such dealer’s franchise agreement was terminated, not assigned, not renewed, or not continued.

(c) Before the end of the 30-day period beginning on the date of the enactment of this Act, a covered manufacturer shall provide to each covered dealership related to such covered manufacturer a summary of the terms and the rights accorded under this section to a covered dealership and the specific criteria pursuant to which such dealer was terminated, was not renewed, or was not assumed and assigned to a covered manufacturer.

(d) A covered dealership may elect to pursue the right to binding arbitration with the appropriate covered manufacturer. Such election must occur within 40 days of the date of enactment. The arbitration process must commence as soon as practicable thereafter with the selection of the arbitrator and conclude with the case being submitted to the arbitrator for deliberation within 180 days of the date of enactment of this Act. The arbitrator may extend the time periods in this subsection for up to 30 days for good cause. The covered manufacturer and the covered dealership may present any relevant information during the arbitration. The arbitrator shall balance the economic interest of the covered dealership, the economic interest of the covered manufacturer, and the economic interest of the public at large and shall decide, based on that balancing, whether or not the covered dealership should be added to the dealer network of the covered manufacturer. The factors considered by the arbitrator shall include (1) the covered dealership’s profitability in 2006, 2007, 2008, and 2009, (2) the

covered manufacturer's overall business plan, (3) the covered dealership's current economic viability, (4) the covered dealership's satisfaction of the performance objectives established pursuant to the applicable franchise agreement, (5) the demographic and geographic characteristics of the covered dealership's market territory, (6) the covered dealership's performance in relation to the criteria used by the covered manufacturer to terminate, not renew, not assume or not assign the covered dealership's franchise agreement, and (7) the length of experience of the covered dealership. The arbitrator shall issue a written determination no later than 7 business days after the arbitrator determines that case has been fully submitted. At a minimum, the written determination shall include (1) a description of the covered dealership, (2) a clear statement indicating whether the franchise agreement at issue is to be renewed, continued, assigned or assumed by the covered manufacturer, (3) the key facts relied upon by the arbitrator in making the determination, and (4) an explanation of how the balance of economic interests supports the arbitrator's determination.

(e) The arbitrator shall be selected from the list of qualified arbitrators maintained by the Regional Office of the American Arbitration Association (AAA), in the Region where the dealership is located, by mutual agreement of the covered dealership and covered manufacturer. If agreement cannot be reached on a suitable arbitrator, the parties shall request AAA to select the arbitrator. There will be no depositions in the proceedings, and discovery shall be limited to requests for documents specific to the covered dealership. The parties shall be responsible for their own expenses, fees, and costs, and shall share equally all other costs associated with the arbitration, such as arbitrator fees, meeting room charges, and administrative costs. The arbitration shall be conducted in the State where the covered dealership is located. Parties will have the option of conducting arbitration electronically and telephonically, by mutual agreement of both parties. The arbitrator shall not award compensatory, punitive, or exemplary damages to any party. If the arbitrator finds in favor of a covered dealership, the covered manufacturer shall as soon as practicable, but not later than 7 business days after receipt of the arbitrator's determination, provide the dealer a customary and usual letter of intent to enter into a sales and service agreement. After executing the sales and service agreement and successfully completing the operational prerequisites set forth therein, a covered dealership shall return to the covered manufacturer any financial compensation provided by the covered manufacturer in consideration of the covered manufacturer's initial determination to terminate, not renew, not assign or not assume the covered dealership's applicable franchise agreement.

(f) Any legally binding agreement resulting from a voluntary negotiation between a covered manufacturer and covered dealership(s) shall not be considered inconsistent with this provision and any covered dealership that is a party to such agreement shall forfeit the right to arbitration established by this provision.

(g) Notwithstanding the requirements of this provision, nothing herein shall prevent a covered manufacturer from lawfully terminating a covered dealership in accordance with applicable State law.

(c) Ceilings and specifically designated funding levels contained in this Act shall not be applicable to funds or authorities appropriated or otherwise made available by any subsequent Act unless such Act specifically so directs: *Provided*, That specifically designated funding levels or minimum funding requirements contained in any other Act shall not be applicable to funds appropriated by this Act.
