A BILL

To direct the Secretary of the Interior to conduct a special resource study to evaluate the significance of the Newtown Battlefield located in Chemung County, New York, and the suitability and feasibility of its inclusion in the National Park System, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. 1779 BATTLE OF NEWTOWN STUDY.**

4 (a) FINDINGS.—Congress finds as follows:

5 (1) In 1972, the Newtown Battlefield was rec-
6 ognized by the Federal Government as a significant

1 historic resource by the designation of the Newtown
2 Battlefield National Historic Landmark, consisting
3 of approximately 2,100 acres in the towns of Ash-
4 land, Chemung, and Elmira in the County of
5 Chemung, New York.

6 (2) The Sullivan Campaign of 1779 was a sig-
7 nificant event in the history of American Revolu-
8 tionary War.

9 (3) The Battle of Newtown, fought on August
10 29, 1779, was the most significant military engage-
11 ment of the Sullivan Campaign.

12 (4) The National Park Service's 2007 Report
13 on the Historic Preservation of Revolutionary War
14 and War of 1812 Sites in the United States cat-
15 egorized Newtown Battlefield as a Class A site.

16 (5) The designation of Newtown Battlefield as
17 a Class A site evinces a conclusion that the battle-
18 field is a site of a military action with a vital objec-
19 tive or result that shaped the strategy, direction,
20 outcome, or perception of the Revolutionary War.

21 (6) The report also found that Newtown Battle-
22 field is a site that has experienced little alteration
23 since the Revolutionary War and that it is largely
24 unprotected by other public historic preservation
25 agencies or nonprofit organizations.

4 Newtown Battlefield.

5 (3) Any operational, management, and private

9 (4) A determination of the feasibility of admin-
10 istering the Newtown Battlefield considering its size,
11 configuration, ownership, costs, and other factors.

12 (5) An evaluation of the adequacy of other al-
13 ternatives for the management and resource protec-
14 tion of the Newtown Battlefield.

15 (6) An analysis of the impact, economic and
16 otherwise, on the Chemung County community, of
17 the inclusion of Newtown Battlefield into the Na-
