

111TH CONGRESS
2D SESSION

H. R. 6101

To amend part A of title IV of the Energy Conservation and Production Act to require the Secretary of Energy to determine whether there are systemic impediments to carrying out the weatherization program under that part, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

AUGUST 10, 2010

Mr. SESTAK introduced the following bill; which was referred to the
Committee on Energy and Commerce

A BILL

To amend part A of title IV of the Energy Conservation and Production Act to require the Secretary of Energy to determine whether there are systemic impediments to carrying out the weatherization program under that part, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. REVIEW OF IMPLEMENTATION OF DEPART-**
4 **MENT OF ENERGY WEATHERIZATION PRO-**
5 **GRAM.**

6 (a) PROGRAM EVALUATION.—Section 416 of the En-
7 ergy Conservation and Production Act (42 U.S.C. 6866)

1 is amended by adding at the end the following: “An eval-
2 uation of the program authorized by this part shall,
3 through methods provided for in, and records kept pursu-
4 ant to, section 417, review such program to determine
5 whether there are systemic impediments to carrying out
6 such program and achieving its purpose, such as the in-
7 ability for low-income persons (especially low-income per-
8 sons who are particularly vulnerable, such as the elderly
9 and the handicapped) to participate in such program be-
10 cause of the need for major repairs to the dwelling units
11 of such persons prior to receiving weatherization assist-
12 ance (including barriers to making such repairs), and rec-
13 ommendations for how such impediments should be ad-
14 dressed.”.

15 (b) ADMINISTRATIVE PROVISIONS.—Section 417 of
16 the Energy Conservation and Production Act (42 U.S.C.
17 6867) is amended—

18 (1) in subsection (a), by inserting “, including
19 reports or answers regarding systemic impediments
20 to carrying out the weatherization program author-
21 ized by this part (including reports or answers on
22 the average time it takes to complete weatherization
23 assistance for individual dwelling units and reports
24 or answers on the approval and disapproval of re-

1 requests for such weatherization assistance)” after “to
2 carry out their functions under this part”;

3 (2) in subsection (b), by inserting “, including
4 records tracking the time it takes to complete weath-
5 erization assistance provided for by such project for
6 each dwelling unit, and records tracking approval
7 and disapproval of requests for weatherization as-
8 sistance, including reasons for such a disapproval
9 and what form, if any, of follow-up occurs regarding
10 such a disapproval” after “effective financial audit
11 and performance evaluation of such project”; and

12 (3) in subsection (c), by inserting “, including
13 records required under subsection (b)” after “perti-
14 nent to the financial assistance received under this
15 part”.

16 (c) ANNUAL REPORT.—Section 421 of the Energy
17 Conservation and Production Act (42 U.S.C. 6871) is
18 amended by adding “Such report shall include any find-
19 ings, determinations, and recommendations of the Sec-
20 retary regarding systemic impediments to carrying out the
21 weatherization assistance program under this part result-
22 ing from an evaluation required by section 416.” after
23 “section 416.”.
