1 State of Alaska with distinction in the Senate for
2 over 40 years from 1968 to 2009 and played a sig-
3 nificant role in the transformation of the State of
4 Alaska from an impoverished territory to a full-
5 fledged State through the assistance he provided in
6 building energy facilities, hospitals and clinics,
7 roads, docks, airports, water and sewer facilities,
8 schools, and other community facilities in the State
9 of Alaska, which earned him recognition as “Alaskan
10 of the Century” from the Alaska Legislature in

4 of Alaska;

5 (7) Ted Stevens was a leader in shaping the

25 eries of the United States, the Magnuson-Stevens

1 Fishery Conservation and Management Reauthoriza-
2 tion Act of 2006 (Public Law 109–479; 120 Stat.

15 (13) the designation of the unnamed highest
16 peak in the State of Alaska, along with an icefield
