## H. RES. 102

Supporting the goals and ideals of National Teen Dating Violence Awareness and Prevention Week.

## IN THE HOUSE OF REPRESENTATIVES

February 2, 2009

Mr. Lewis of Georgia submitted the following resolution; which was referred to the Committee on Oversight and Government Reform

## RESOLUTION

Supporting the goals and ideals of National Teen Dating Violence Awareness and Prevention Week.

- Whereas communities across the country carry out activities to raise awareness about teen dating violence during the week of February 2 through February 6, 2009;
- Whereas 1 in 11 adolescents reports being a victim of physical dating violence;
- Whereas 1 in 5 teenagers in a serious relationship reports having been hit, slapped, or pushed by a partner;
- Whereas 1 in 3 female teenagers in a dating relationship has feared for her physical safety;
- Whereas more than 1 in 4 teenagers have been in a relationship where a partner is verbally abusive;

- Whereas 27 percent of teenagers have been in dating relationships in which their partners called them names or put them down;
- Whereas 40 percent of the youngest teens, those between the ages of 11 and 12, report that they have friends who are victims of verbal abuse in dating relationships;
- Whereas 1 in 5 teenagers between the ages of 13 and 14 say they have friends who are victims of dating violence;
- Whereas 1 in 2 teenagers in a serious relationship has compromised personal beliefs to please a partner;
- Whereas 29 percent of girls who have been in a relationship said that they have been pressured to have sex or to engage in sexual activities that they did not want;
- Whereas technologies such as cell phones and the Internet have made dating abuse more pervasive and more hidden;
- Whereas 30 percent of teenagers who have been in a dating relationship say that they have been text-messaged between 10 and 30 times per hour by a partner seeking to find out where they are, what they are doing, or who they are with;
- Whereas 72 percent of teenagers who reported that they had been checked up on by a boyfriend or girlfriend 10 times per hour or more by email or text messaging did not tell their parents;
- Whereas parents are largely unaware of the cell phone and Internet harassment experienced by teenagers;
- Whereas nearly 3 in 4 teens say that dating relationships usually begin at age 14 or younger;

Whereas 69 percent of all teenagers who had sex by age 14 said they have experienced 1 or more types of abuse in a dating relationship;

Whereas violent relationships in adolescence can have serious ramifications for victims, putting them at higher risk for substance abuse, eating disorders, risky sexual behavior, suicide, and revictimization as adults;

Whereas the severity of violence among intimate partners has been shown to be greater in cases where the pattern of violence has been established in adolescence; and

Whereas National Teen Dating Violence Awareness and Prevention Week benefits schools, communities, families, and individuals, regardless of socioeconomic status, race, or sex: Now, therefore, be it
