RESOLUTION

Honoring the Minute Man National Historical Park on the
occasion of its 50th anniversary.

Whereas, since September 21, 1959, Minute Man National Historical Park has preserved key sites where the first battles of the American Revolutionary War occurred, and educated millions of people in the United States about the extraordinary events that led to the birth of the United States and the ideals embodied in the courageous actions that led to such events;

Lexington, Lincoln, and Concord that were at the center of the American Revolution;

Whereas the Minute Man National Historical Park includes multiple sites and vistas along the route from Boston to Concord, known as the “Battle Road”, where American militia and British soldiers fought several times on April 19, 1775;

Whereas American militia were first ordered to return British fire at Concord’s North Bridge, a heroic action commemorated by the United States poet Ralph Waldo Emerson in his poem “The Concord Hymn” as the “shot heard round the world”;

Whereas the park celebrates the legendary “midnight ride” of Paul Revere on April 18, 1775, that warned American colonists that British soldiers were marching to Concord to destroy key military stores; and

Whereas more than 1,000,000 people from States across the United States and from around the world visit Minute Man National Historical Park each year to learn about the role that the New England communities of Lexington, Lincoln, and Concord played in the American Revolution: Now, therefore, be it
