

111TH CONGRESS
2D SESSION

S. RES. 596

To designate September 25, 2010, as “National Estuaries Day”.

IN THE SENATE OF THE UNITED STATES

JULY 28, 2010

Mr. WHITEHOUSE (for himself, Mr. CARDIN, Ms. MIKULSKI, Mr. CASEY, Mr. REED, Mrs. MURRAY, Mr. KERRY, Mr. WYDEN, Mrs. FEINSTEIN, Mr. LIEBERMAN, Mr. WARNER, Mr. MERKLEY, Mr. MENENDEZ, Ms. LANDRIEU, Mr. SCHUMER, Mr. NELSON of Florida, Mr. KAUFMAN, Ms. COLLINS, Mr. GREGG, Mr. WEBB, and Mrs. BOXER) submitted the following resolution; which was referred to the Committee on the Judiciary

AUGUST 3, 2010

Committee discharged; considered and agreed to

RESOLUTION

To designate September 25, 2010, as “National Estuaries Day”.

Whereas the estuary regions of the United States comprise a significant share of the national economy, with 43 percent of the population, 40 percent of the employment, and 49 percent of the economic output of the United States located in the estuary regions of the United States;

Whereas coasts and estuaries contribute more than \$800,000,000,000 annually in trade and commerce to the United States economy;

Whereas more than 43 percent of all adults in the United States visit a sea coast or estuary at least once a year to participate in some form of recreation, generating \$8,000,000,000 to \$12,000,000,000 in revenue annually;

Whereas more than 28,000,000 jobs in the United States are supported by commercial and recreational fishing, boating, tourism, and other coastal industries that rely on healthy estuaries;

Whereas estuaries provide vital habitat for countless species of fish and wildlife, including many that are listed as threatened or endangered;

Whereas estuaries provide critical ecosystem services that protect human health and public safety, including water filtration, flood control, shoreline stabilization and erosion prevention, and the protection of coastal communities during extreme weather events;

Whereas 55,000,000 acres of estuarine habitat have been destroyed during the 100 years preceding the date of agreement to this resolution;

Whereas bays once filled with fish and oysters have become dead zones filled with excess nutrients, chemical wastes, harmful algae, and marine debris;

Whereas sea level rise is accelerating the degradation of estuaries by—

- (1) submerging low-lying land;
- (2) eroding beaches;
- (3) converting wetland to open water;
- (4) exacerbating coastal flooding; and
- (5) increasing the salinity of estuaries and freshwater aquifers;

Whereas the Coastal Zone Management Act of 1972 (16 U.S.C. 1451 et seq.) declares that it is the national policy to preserve, protect, develop, and if possible, to restore or enhance, the resources of the coastal zone of the United States, including estuaries, for current and future generations;

Whereas scientific study leads to better understanding of the benefits of estuaries to human and ecological communities;

Whereas Federal, State, local, and tribal governments, national and community organizations, and individuals work together to effectively manage the estuaries of the United States;

Whereas estuary restoration efforts restore natural infrastructure in local communities in a cost effective manner, helping to create jobs and reestablish the natural functions of estuaries that yield countless benefits; and

Whereas September 25, 2010, has been designated as “National Estuaries Day” to increase awareness among all people of the United States, including Federal, State and local government officials, about the importance of healthy estuaries and the need to protect and restore estuaries: Now, therefore, be it

1 *Resolved*, That the Senate—

2 (1) designates September 25, 2010, as “Na-
3 tional Estuaries Day”;

4 (2) supports the goals and ideals of National
5 Estuaries Day;

1 (3) acknowledges the importance of estuaries to
2 the economic well-being and productivity of the
3 United States;

4 (4) recognizes that persistent threats under-
5 mine the health of the estuaries of the United
6 States;

7 (5) applauds the work of national and commu-
8 nity organizations and public partners that promote
9 public awareness, understanding, protection, and
10 restoration of estuaries;

11 (6) reaffirms the support of the Senate for es-
12 tuaries, including the scientific study, preservation,
13 protection, and restoration of estuaries; and

14 (7) expresses the intent of the Senate to con-
15 tinue working to understand, protect, and restore
16 the estuaries of the United States.
