# A BILL

To amend the Lacey Act Amendments of 1981 to limit the application of that Act with respect to plants and plant products that were imported before the effective date of amendments to that Act enacted in 2008, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2   *tives of the United States of America in Congress assembled,*

3   **SECTION 1. SHORT TITLE.**

4       *This Act may be cited as the “Retailers and Enter-*  
5   *tainers Lacey Implementation and Enforcement Fairness*  
6   *Act” or the “RELIEF Act”.*

7   **SEC. 2. FINDINGS.**

8       *Congress finds the following:*

9           (1) *Amendments to the Lacey Act Amendments*  
10   *of 1981 were enacted as part of the Food, Conserva-*  
11   *tion, and Energy Act of 2008 (Public Law 110–246).*

12           (2) *The 2008 amendments were intended to level*  
13   *the playing field for American businesses engaged in*  
14   *the responsible harvest, shipment, manufacture, and*  
15   *trade of plants and plant products whose prices had*  
16   *been undercut by a black market fueled by irrespon-*  
17   *sible and illegal taking of protected plants around the*  
18   *globe.*

19           (3) *The 2008 amendments were overly broad and*  
20   *their enforcement as enacted could criminalize actions*  
21   *of a good-faith owner, purchaser, or retailer of a*  
22   *plant or plant product, subjecting them to penalties*  
23   *that include forfeiture, fines, and imprisonment.*

24           (4) *Sanctions for violating the 2008 amendments*  
25   *should be proportional to the act in violation. An in-*

1       *dividual who is not in the commercial shipping busi-*  
2       *ness should not be held to the same standard of com-*  
3       *pliance under that Act.*

4           *(5) Individuals fear that they risk incurring*  
5       *those penalties by merely owning or traveling with a*  
6       *vintage musical instrument, antique furniture, or an-*  
7       *other wood product.*

8           *(6) The Department of the Interior and Depart-*  
9       *ment of Justice have stated “people who unknowingly*  
10       *possess a musical instrument or other object con-*  
11       *taining wood that was illegally taken, possessed,*  
12       *transported or sold in violation of law and who, in*  
13       *the exercise of due care would not have known that*  
14       *it was illegal, do not have criminal exposure.”.*

15          *(7) It is necessary to clarify the 2008 amend-*  
16       *ments so that legally harvested new plant products*  
17       *can enter the market place.*

18          *(8) Declaration requirements for plant products*  
19       *imported or manufactured prior to May 22, 2008, are*  
20       *unreasonable since the sourcing of plant products was*  
21       *not previously required by law.*

22          *(9) Federal law enforcement officials should not*  
23       *engage in overzealous enforcement action under the*  
24       *2008 amendments.*

1                   (10) It is important to ensure that the appropriate agencies have the necessary funding to implement the current phases of the declaration requirement before considering any future phases.

5                   (11) The appropriate agencies have the responsibility of providing a publicly accessible database so that everyone can be notified of the foreign laws of countries as they apply to the importation of plants.
