A BILL

To provide for improved coordination of agency actions in the preparation and adoption of environmental documents for permitting determinations, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*
3 **SECTION 1. SHORT TITLE.**

4 *This Act may be cited as the “Responsibly And Profes-*
5 *sionally Invigorating Development Act of 2012” or as the*
6 *“RAPID Act”.*

7 **SEC. 2. COORDINATION OF AGENCY ADMINISTRATIVE OP-**
8 **ERATIONS FOR EFFICIENT DECISIONMAKING.**

9 (i) *IN GENERAL.—Part I of chapter 5 of title 5,*
10 *United States Code, is amended by inserting after sub-*
11 *chapter II the following:*

12 “SUBCHAPTER IIA—INTERAGENCY
13 COORDINATION REGARDING PERMITTING
14 **“§ 560. Coordination of agency administrative oper-**
15 **ations for efficient decisionmaking**

16 “(a) *CONGRESSIONAL DECLARATION OF PURPOSE.—*
17 *The purpose of this subchapter is to establish a framework*
18 *and procedures to streamline, increase the efficiency of, and*
19 *enhance coordination of agency administration of the regu-*
20 *latory review, environmental decisionmaking, and permit-*
21 *ting process for projects undertaken, reviewed, or funded by*
22 *Federal agencies. This subchapter will ensure that agencies*
23 *administer the regulatory process in a manner that is effi-*
24 *cient so that citizens are not burdened with regulatory ex-*
25 *cuses and time delays.*

1 “(b) *DEFINITIONS.*—For purposes of this subchapter,

2 *the term—*

3 “(1) ‘agency’ means any agency, department, or
4 other unit of Federal, State, local, or Indian tribal
5 government;

6 “(2) ‘category of projects’ means 2 or more
7 projects related by project type, potential environ-
8 mental impacts, geographic location, or another simi-
9 lar project feature or characteristic;

10 “(3) ‘environmental assessment’ means a concise
11 public document for which a Federal agency is re-
12 sponsible that serves to—

13 “(A) briefly provide sufficient evidence and
14 analysis for determining whether to prepare an
15 environmental impact statement or a finding of
16 no significant impact;

17 “(B) aid an agency’s compliance with
18 NEPA when no environmental impact statement
19 is necessary; and

20 “(C) facilitate preparation of an environ-
21 mental impact statement when one is necessary;

22 “(4) ‘environmental impact statement’ means the
23 detailed statement of significant environmental im-
24 pacts required to be prepared under NEPA;

1 “(5) ‘environmental review’ means the Federal
2 agency procedures for preparing an environmental
3 impact statement, environmental assessment, categor-
4 ical exclusion, or other document under NEPA;

5 “(6) ‘environmental decisionmaking process’
6 means the Federal agency procedures for undertaking
7 and completion of any environmental permit, deci-
8 sion, approval, review, or study under any Federal
9 law other than NEPA for a project subject to an envi-
10 ronmental review;

11 “(7) ‘environmental document’ means an envi-
12 ronmental assessment or environmental impact state-
13 ment, and includes any supplemental document or
14 document prepared pursuant to a court order;

15 “(8) ‘finding of no significant impact’ means a
16 document by a Federal agency briefly presenting the
17 reasons why a project, not otherwise subject to a cat-
18 egorical exclusion, will not have a significant effect on
19 the human environment and for which an environ-
20 mental impact statement therefore will not be pre-
21 pared;

22 “(9) ‘lead agency’ means the Federal agency pre-
23 paring or responsible for preparing the environmental
24 document;

1 “(10) ‘NEPA’ means the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.);

2 “(11) ‘project’ means major Federal actions that
3 are construction activities undertaken with Federal
4 funds or that are construction activities that require
5 approval by a permit or regulatory decision issued by
6 a Federal agency;

7 “(12) ‘project sponsor’ means the agency or other
8 entity, including any private or public-private entity,
9 that seeks approval for a project or is otherwise re-
10 sponsible for undertaking a project; and

11 “(13) ‘record of decision’ means a document pre-
12 pared by a lead agency under NEPA following an en-
13 vironmental impact statement that states the lead
14 agency’s decision, identifies the alternatives consid-
15 ered by the agency in reaching its decision and states
16 whether all practicable means to avoid or minimize
17 environmental harm from the alternative selected have
18 been adopted, and if not, why they were not adopted.

19 “(c) PREPARATION OF ENVIRONMENTAL DOCUMENTS.—Upon the request of the lead agency, the project
20 sponsor shall be authorized to prepare any document for
21 purposes of an environmental review required in support
22 of any project or approval by the lead agency if the lead
23 agency furnishes oversight in such preparation and inde-

1 pendently evaluates such document and the document is ap-
2 proved and adopted by the lead agency prior to taking any
3 action or making any approval based on such document.

4 “(d) ADOPTION AND USE OF DOCUMENTS.—

5 “(1) DOCUMENTS PREPARED UNDER NEPA.—

6 “(A) Not more than 1 environmental im-
7 pact statement and 1 environmental assessment
8 shall be prepared under NEPA for a project (ex-
9 cept for supplemental environmental documents
10 prepared under NEPA or environmental docu-
11 ments prepared pursuant to a court order), and,
12 except as otherwise provided by law, the lead
13 agency shall prepare the environmental impact
14 statement or environmental assessment. After the
15 lead agency issues a record of decision, no Fed-
16 eral agency responsible for making any approval
17 for that project may rely on a document other
18 than the environmental document prepared by
19 the lead agency.

20 “(B) Upon the request of a project sponsor,
21 a lead agency may adopt, use, or rely upon sec-
22 ondary and cumulative impact analyses in-
23 cluded in any environmental document prepared
24 under NEPA for projects in the same geographic
25 area where the secondary and cumulative impact

1 *analyses provide information and data that per-*
2 *tains to the NEPA decision for the project under*
3 *review.*

4 “*(2) STATE ENVIRONMENTAL DOCUMENTS; SUP-*
5 *PLEMENTAL DOCUMENTS.—*

6 “*(A) Upon the request of a project sponsor,*
7 *a lead agency may adopt a document that has*
8 *been prepared for a project under State laws and*
9 *procedures as the environmental impact state-*
10 *ment or environmental assessment for the*
11 *project, provided that the State laws and proce-*
12 *dures under which the document was prepared*
13 *provide environmental protection and opportuni-*
14 *ties for public involvement that are substantially*
15 *equivalent to NEPA.*

16 “*(B) An environmental document adopted*
17 *under subparagraph (A) is deemed to satisfy the*
18 *lead agency’s obligation under NEPA to prepare*
19 *an environmental impact statement or environ-*
20 *mental assessment.*

21 “*(C) In the case of a document described in*
22 *subparagraph (A), during the period after prepa-*
23 *ration of the document but before its adoption by*
24 *the lead agency, the lead agency shall prepare*

1 *and publish a supplement to that document if
2 the lead agency determines that—*

3 “(i) *a significant change has been
4 made to the project that is relevant for pur-
5 poses of environmental review of the project;
6 or*

7 “(ii) *there have been significant
8 changes in circumstances or availability of
9 information relevant to the environmental
10 review for the project.*

11 “(D) *If the agency prepares and publishes a
12 supplemental document under subparagraph (C),
13 the lead agency may solicit comments from agen-
14 cies and the public on the supplemental docu-
15 ment for a period of not more than 45 days be-
16 ginning on the date of the publication of the sup-
17 plement.*

18 “(E) *A lead agency shall issue its record of
19 decision or finding of no significant impact, as
20 appropriate, based upon the document adopted
21 under subparagraph (A), and any supplements
22 thereto.*

23 “(3) CONTEMPORANEOUS PROJECTS.—*If the lead
24 agency determines that there is a reasonable likeli-
25 hood that the project will have similar environmental*

1 *impacts as a similar project in geographical prox-*
2 *imity to the project, and that similar project was sub-*
3 *ject to environmental review or similar State proce-*
4 *dures within the 5 year period immediately preceding*
5 *the date that the lead agency makes that determina-*
6 *tion, the lead agency may adopt the environmental*
7 *document that resulted from that environmental re-*
8 *view or similar State procedure. The lead agency may*
9 *adopt such an environmental document, if it is pre-*
10 *pared under State laws and procedures only upon*
11 *making a favorable determination on such environ-*
12 *mental document pursuant to paragraph (2)(A).*

13 “(e) *PARTICIPATING AGENCIES.*—

14 “(1) *IN GENERAL.*—*The lead agency shall be re-*
15 *sponsible for inviting and designating participating*
16 *agencies in accordance with this subsection. The lead*
17 *agency shall provide the invitation or notice of the*
18 *designation in writing.*

19 “(2) *FEDERAL PARTICIPATING AGENCIES.*—*Any*
20 *Federal agency that is required to adopt the environ-*
21 *mental document of the lead agency for a project shall*
22 *be designated as a participating agency and shall col-*
23 *laborate on the preparation of the environmental doc-*
24 *ument, unless the Federal agency informs the lead*
25 *agency, in writing, by a time specified by the lead*

1 *agency in the designation of the Federal agency that*
2 *the Federal agency—*

3 *“(A) has no jurisdiction or authority with*
4 *respect to the project;*

5 *“(B) has no expertise or information rel-*
6 *evant to the project; and*

7 *“(C) does not intend to submit comments on*
8 *the project.*

9 *“(3) INVITATION.—The lead agency shall iden-*
10 *tify, as early as practicable in the environmental re-*
11 *view for a project, any agencies other than an agency*
12 *described in paragraph (2) that may have an interest*
13 *in the project, including, where appropriate, Gov-*
14 *ernors of affected States, and heads of appropriate*
15 *tribal and local (including county) governments, and*
16 *shall invite such identified agencies and officials to*
17 *become participating agencies in the environmental*
18 *review for the project. The invitation shall set a dead-*
19 *line of 30 days for responses to be submitted, which*
20 *may only be extended by the lead agency for good*
21 *cause shown. Any agency that fails to respond prior*
22 *to the deadline shall be deemed to have declined the*
23 *invitation.*

24 *“(4) EFFECT OF DECLINING PARTICIPATING*
25 *AGENCY INVITATION.—Any agency that declines a des-*

1 *ignation or invitation by the lead agency to be a par-*
2 *ticipating agency shall be precluded from submitting*
3 *comments on any document prepared under NEPA*
4 *for that project or taking any measures to oppose,*
5 *based on the environmental review, any permit, li-*
6 *icense, or approval related to that project.*

7 “(5) *EFFECT OF DESIGNATION.*—Designation as
8 *a participating agency under this subsection does not*
9 *imply that the participating agency—*

10 “(A) *supports a proposed project; or*
11 “(B) *has any jurisdiction over, or special*
12 *expertise with respect to evaluation of, the*
13 *project.*

14 “(6) *COOPERATING AGENCY.*—A participating
15 *agency may also be designated by a lead agency as*
16 *a ‘cooperating agency’ under the regulations con-*
17 *tained in part 1500 of title 40, Code of Federal Regu-*
18 *lations, as in effect on January 1, 2011. Designation*
19 *as a cooperating agency shall have no effect on des-*
20 *ignation as participating agency. No agency that is*
21 *not a participating agency may be designated as a*
22 *cooperating agency.*

23 “(7) *CONCURRENT REVIEWS.*—Each Federal
24 *agency shall—*

1 “(A) carry out obligations of the Federal
2 agency under other applicable law concurrently
3 and in conjunction with the review required
4 under NEPA; and

5 “(B) in accordance with the rules made by
6 the Council on Environmental Quality pursuant
7 to subsection (n)(1), make and carry out such
8 rules, policies, and procedures as may be reason-
9 ably necessary to enable the agency to ensure
10 completion of the environmental review and en-
11 vironmental decisionmaking process in a timely,
12 coordinated, and environmentally responsible
13 manner.

14 “(8) COMMENTS.—Each participating agency
15 shall limit its comments on a project to areas that are
16 within the authority and expertise of such partici-
17 pating agency. Each participating agency shall iden-
18 tify in such comments the statutory authority of the
19 participating agency pertaining to the subject matter
20 of its comments. The lead agency shall not act upon,
21 respond to or include in any document prepared
22 under NEPA, any comment submitted by a partici-
23 pating agency that concerns matters that are outside
24 of the authority and expertise of the commenting par-
25 ticipating agency.

1 “(f) PROJECT INITIATION REQUEST.—

2 “(1) NOTICE.—A project sponsor shall provide
3 the Federal agency responsible for undertaking a
4 project with notice of the initiation of the project by
5 providing a description of the proposed project, the
6 general location of the proposed project, and a state-
7 ment of any Federal approvals anticipated to be nec-
8 essary for the proposed project, for the purpose of in-
9 forming the Federal agency that the environmental
10 review should be initiated.

11 “(2) LEAD AGENCY INITIATION.—The agency re-
12 ceiving a project initiation notice under paragraph
13 (1) shall promptly identify the lead agency for the
14 project, and the lead agency shall initiate the environ-
15 mental review within a period of 45 days after receiv-
16 ing the notice required by paragraph (1) by inviting
17 or designating agencies to become participating agen-
18 cies, or, where the lead agency determines that no
19 participating agencies are required for the project, by
20 taking such other actions that are reasonable and nec-
21 essary to initiate the environmental review.

22 “(g) ALTERNATIVES ANALYSIS.—

23 “(1) PARTICIPATION.—As early as practicable
24 during the environmental review, but no later than
25 during scoping for a project requiring the prepara-

1 *tion of an environmental impact statement, the lead
2 agency shall provide an opportunity for involvement
3 by cooperating agencies in determining the range of
4 alternatives to be considered for a project.*

5 “(2) *RANGE OF ALTERNATIVES.*—Following par-
6 ticipation under paragraph (1), the lead agency shall
7 determine the range of alternatives for consideration
8 in any document which the lead agency is responsible
9 for preparing for the project, subject to the following
10 limitations:

11 “(A) *NO EVALUATION OF CERTAIN ALTER-
12 NATIVES.*—No Federal agency shall evaluate any
13 alternative that was identified but not carried
14 forward for detailed evaluation in an environ-
15 mental document or evaluated and not selected
16 in any environmental document prepared under
17 NEPA for the same project.

18 “(B) *ONLY FEASIBLE ALTERNATIVES EVAL-
19 UATED.*—Where a project is being constructed,
20 managed, funded, or undertaken by a project
21 sponsor that is not a Federal agency, Federal
22 agencies shall only be required to evaluate alter-
23 natives that the project sponsor could feasibly
24 undertake, consistent with the purpose of and the
25 need for the project, including alternatives that

1 *can be undertaken by the project sponsor and
2 that are technically and economically feasible.*

3 “*(3) METHODOLOGIES.—*

4 “*(A) IN GENERAL.—The lead agency shall
5 determine, in collaboration with cooperating
6 agencies at appropriate times during the envi-
7 ronmental review, the methodologies to be used
8 and the level of detail required in the analysis
9 of each alternative for a project. The lead agency
10 shall include in the environmental document a
11 description of the methodologies used and how
12 the methodologies were selected.*

13 “*(B) NO EVALUATION OF INAPPROPRIATE
14 ALTERNATIVES.—When a lead agency determines
15 that an alternative does not meet the purpose
16 and need for a project, that alternative is not re-
17 quired to be evaluated in detail in an environ-
18 mental document.*

19 “*(4) PREFERRED ALTERNATIVE.—At the discre-
20 tion of the lead agency, the preferred alternative for
21 a project, after being identified, may be developed to
22 a higher level of detail than other alternatives in
23 order to facilitate the development of mitigation
24 measures or concurrent compliance with other appli-
25 cable laws if the lead agency determines that the de-*

1 *velopment of such higher level of detail will not pre-*
2 *vent the lead agency from making an impartial deci-*
3 *sion as to whether to accept another alternative which*
4 *is being considered in the environmental review.*

5 “(5) *EMPLOYMENT ANALYSIS.*—*The evaluation of*
6 *each alternative in an environmental impact state-*
7 *ment or an environmental assessment shall identify*
8 *the potential effects of the alternative on employment,*
9 *including potential short-term and long-term employ-*
10 *ment increases and reductions and shifts in employ-*
11 *ment.*

12 “(h) *COORDINATION AND SCHEDULING.*—

13 “(1) *COORDINATION PLAN.*—

14 “(A) *IN GENERAL.*—*The lead agency shall*
15 *establish and implement a plan for coordinating*
16 *public and agency participation in and com-*
17 *ment on the environmental review for a project*
18 *or category of projects to facilitate the expedi-*
19 *tious resolution of the environmental review.*

20 “(B) *SCHEDULE.*—

21 “(i) *IN GENERAL.*—*The lead agency*
22 *shall establish as part of the coordination*
23 *plan for a project, after consultation with*
24 *each participating agency and, where ap-*
25 *plicable, the project sponsor, a schedule for*

1 *completion of the environmental review. The*
2 *schedule shall include deadlines, consistent*
3 *with subsection (i), for decisions under any*
4 *other Federal laws (including the issuance*
5 *or denial of a permit or license) relating to*
6 *the project that is covered by the schedule.*

7 “*(ii) FACTORS FOR CONSIDERATION.—*
8 *In establishing the schedule, the lead agency*
9 *shall consider factors such as—*

10 “*(I) the responsibilities of participating agencies under applicable laws;*

11 “*(II) resources available to the participating agencies;*

12 “*(III) overall size and complexity of the project;*

13 “*(IV) overall schedule for and cost of the project;*

14 “*(V) the sensitivity of the natural and historic resources that could be affected by the project; and*

15 “*(VI) the extent to which similar projects in geographic proximity were recently subject to environmental review or similar State procedures.*

1 “(iii) *COMPLIANCE WITH THE SCHED-*
2 *ULE.—*

3 “(I) *All participating agencies*
4 *shall comply with the time periods es-*
5 *tablished in the schedule or with any*
6 *modified time periods, where the lead*
7 *agency modifies the schedule pursuant*
8 *to subparagraph (D).*

9 “(II) *The lead agency shall dis-*
10 *regard and shall not respond to or in-*
11 *clude in any document prepared under*
12 *NEPA, any comment or information*
13 *submitted or any finding made by a*
14 *participating agency that is outside of*
15 *the time period established in the*
16 *schedule or modification pursuant to*
17 *subparagraph (D) for that agency’s*
18 *comment, submission or finding.*

19 “(III) *If a participating agency*
20 *fails to object in writing to a lead*
21 *agency decision, finding or request for*
22 *concurrence within the time period es-*
23 *tablished under law or by the lead*
24 *agency, the agency shall be deemed to*

1 *have concurred in the decision, finding*
2 *or request.*

3 “(C) CONSISTENCY WITH OTHER TIME PERI-
4 ODS.—A schedule under subparagraph (B) shall
5 be consistent with any other relevant time peri-
6 ods established under Federal law.

7 “(D) MODIFICATION.—The lead agency
8 may—

9 “(i) lengthen a schedule established
10 under subparagraph (B) for good cause; and
11 “(ii) shorten a schedule only with the
12 concurrence of the cooperating agencies.

13 “(E) DISSEMINATION.—A copy of a sched-
14 ule under subparagraph (B), and of any modi-
15 fications to the schedule, shall be—

16 “(i) provided within 15 days of com-
17 pletion or modification of such schedule to
18 all participating agencies and to the project
19 sponsor; and

20 “(ii) made available to the public.

21 “(F) ROLES AND RESPONSIBILITY OF LEAD
22 AGENCY.—With respect to the environmental re-
23 view for any project, the lead agency shall have
24 authority and responsibility to take such actions
25 as are necessary and proper, within the author-

1 ity of the lead agency, to facilitate the expedi-
2 tious resolution of the environmental review for
3 the project.

4 “(i) DEADLINES.—The following deadlines shall apply
5 to any project subject to review under NEPA and any deci-
6 sion under any Federal law relating to such project (includ-
7 ing the issuance or denial of a permit or license or any
8 required finding):

9 “(1) ENVIRONMENTAL REVIEW DEADLINES.—The
10 lead agency shall complete the environmental review
11 within the following deadlines:

12 “(A) ENVIRONMENTAL IMPACT STATEMENT
13 PROJECTS.—For projects requiring preparation
14 of an environmental impact statement—

15 “(i) the lead agency shall issue an en-
16 vironmental impact statement within 2
17 years after the earlier of the date the lead
18 agency receives the project initiation request
19 or a Notice of Intent to Prepare an Envi-
20 ronmental Impact Statement is published
21 in the Federal Register; and

22 “(ii) in circumstances where the lead
23 agency has prepared an environmental as-
24 essment and determined that an environ-
25 mental impact statement will be required,

1 *the lead agency shall issue the environmental*
2 *impact statement within 2 years*
3 *after the date of publication of the Notice of*
4 *Intent to Prepare an Environmental Impact*
5 *Statement in the Federal Register.*

6 **“(B) ENVIRONMENTAL ASSESSMENT**

7 *PROJECTS.—For projects requiring preparation*
8 *of an environmental assessment, the lead agency*
9 *shall issue a finding of no significant impact or*
10 *publish a Notice of Intent to Prepare an Environmental Impact Statement in the Federal Register*
11 *within 1 year after the earlier of the date the lead agency receives the project initiation request, makes a decision to prepare an environmental assessment, or sends out participating agency invitations.*

12 **“(2) EXTENSIONS.—**

13 **“(A) REQUIREMENTS.—The environmental review deadlines may be extended only if—**

14 **“(i) a different deadline is established by agreement of the lead agency, the project sponsor, and all participating agencies; or**

15 **“(ii) the deadline is extended by the lead agency for good cause.**

1 “(B) *LIMITATION.*—The environmental re-
2 view shall not be extended by more than 1 year
3 for a project requiring preparation of an envi-
4 ronmental impact statement or by more than
5 180 days for a project requiring preparation of
6 an environmental assessment.

7 “(3) *ENVIRONMENTAL REVIEW COMMENTS.*—

8 “(A) *COMMENTS ON DRAFT ENVIRONMENTAL*
9 *IMPACT STATEMENT.*—For comments by agencies
10 and the public on a draft environmental impact
11 statement, the lead agency shall establish a com-
12 ment period of not more than 60 days after pub-
13 lication in the *Federal Register* of notice of the
14 date of public availability of such document, un-
15 less—

16 “(i) a different deadline is established
17 by agreement of the lead agency, the project
18 sponsor, and all participating agencies; or

19 “(ii) the deadline is extended by the
20 lead agency for good cause.

21 “(B) *OTHER COMMENTS.*—For all other
22 comment periods for agency or public comments
23 in the environmental review process, the lead
24 agency shall establish a comment period of no

1 *more than 30 days from availability of the mate-*
2 *rials on which comment is requested, unless—*

3 “(i) *a different deadline is established*
4 *by agreement of the lead agency, the project*
5 *sponsor, and all participating agencies; or*
6 “(ii) *the deadline is extended by the*
7 *lead agency for good cause.*

8 “(4) *DEADLINES FOR DECISIONS UNDER OTHER*
9 *LAWS.—Notwithstanding any other provision of law,*
10 *in any case in which a decision under any other Fed-*
11 *eral law relating to the undertaking of a project being*
12 *reviewed under NEPA (including the issuance or de-*
13 *nial of a permit or license) is required to be made,*
14 *the following deadlines shall apply:*

15 “(A) *DECISIONS PRIOR TO RECORD OF DE-*
16 *CISION OR FINDING OF NO SIGNIFICANT IM-*
17 *PACT.—If a Federal agency is required to ap-*
18 *prove, or otherwise to act upon, a permit, li-*
19 *icense, or other similar application for approval*
20 *related to a project prior to the record of decision*
21 *or finding of no significant impact, such Federal*
22 *agency shall approve or otherwise act not later*
23 *than the end of a 90 day period beginning—*

24 “(i) *after all other relevant agency re-*
25 *view related to the project is complete; and*

1 “(ii) after the lead agency publishes a
2 notice of the availability of the final envi-
3 ronmental impact statement or issuance of
4 other final environmental documents, or no
5 later than such other date that is otherwise
6 required by law, whichever event occurs
7 first.

8 “(B) OTHER DECISIONS.—With regard to
9 any approval or other action related to a project
10 by a Federal agency that is not subject to sub-
11 paragraph (A), each Federal agency shall ap-
12 prove or otherwise act not later than the end of
13 a period of 180 days beginning—

14 “(i) after all other relevant agency re-
15 view related to the project is complete; and

16 “(ii) after the lead agency issues the
17 record of decision or finding of no signifi-
18 cant impact, unless a different deadline is
19 established by agreement of the Federal
20 agency, lead agency, and the project spon-
21 sor, where applicable, or the deadline is ex-
22 tended by the Federal agency for good cause,
23 provided that such extension shall not ex-
24 tend beyond a period that is 1 year after

1 *the lead agency issues the record of decision*
