S. 3476

To amend the Child Care and Development Block Grant Act of 1990 to ensure access to high-quality child care for homeless children and families, and for other purposes.

IN THE SENATE OF THE UNITED STATES

AUGUST 1, 2012

Mrs. MURRAY (for herself, Mr. FRANKEN, and Mr. KERRY) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To amend the Child Care and Development Block Grant Act of 1990 to ensure access to high-quality child care for homeless children and families, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Improving Access to
5 Child Care for Homeless Families Act of 2012”.

6 **SEC. 2. FINDINGS; SENSE OF CONGRESS.**

7 (a) FINDINGS.—Congress makes the following find-
8 ings:

1 (1) Child and youth homelessness has increased
2 by 38 percent during the period since 2006, and
3 Head Start programs have registered a 44 percent
4 increase in the number of homeless children served
5 over that same period.

6 (2) Among homeless children living in shelters
7 supported by the Department of Housing and Urban
8 Development, 50 percent are under 5 years old.

9 (3) A 2010 study by the Eunice Kennedy Shriv-
10 er National Institute of Child Health and Human
11 Development found that children who had received
12 high-quality care in the first few years of life scored
13 higher on measures of academic and cognitive
14 achievement when the children were 19 years old,
15 and were less likely to misbehave, than children who
16 had been enrolled in low-quality care in those years.

17 (4) Homelessness has a negative impact on
18 child development that surpasses the harmful im-
19 pacts of poverty. A Head Start demonstration
20 project serving homeless families indicated that the
21 homeless children served had more instances of de-
22 velopmental delay, learning disabilities, and physical
23 or mental health problems, compared with their low-
24 income peers in stable housing.

1 (5) For homeless families, residential insta-
2 bility, high mobility, documentation requirements,
3 and lack of transportation are significant obstacles
4 to accessing and retaining child care services.

5 (6) According to a study by the Institute for
6 Children, Poverty, and Homelessness, homeless fam-
7 ilies are less likely to receive government financial
8 assistance for child care than families that are not
9 homeless.

10 (7) Without child care, homeless parents of
11 young children struggle to search for employment,
12 maintain employment, and enter job training pro-
13 grams.

14 (8) Many parents who are domestic violence
15 survivors who flee their homes try to find employ-
16 ment, but the parents are often limited by a lack of
17 child care. In a survey of nearly 1,500 domestic vio-
18 lence survivors in domestic violence shelters, 29 per-
19 cent indicated that they needed help with child care.

20 (b) SENSE OF CONGRESS.—It is the sense of Con-
21 gress that—

22 (1)(A) Congress has enacted successful policies
23 to increase homeless children's access to and sta-
24 bility in public elementary and secondary schools
25 and Head Start programs; and

1 (B) in order to increase homeless families' ac-
2 cess to and continuity in child care, similar policies
3 should be applied to Federal child care programs;
4 and

5 (2) such policies will assist homeless parents in
6 maintaining employment and regaining housing, and
7 will provide critical interventions to support that vul-
8 nerable population of children.

9 **SEC. 3. PURPOSE.**

10 The purpose of this Act is to ensure access to high-
11 quality child care for homeless children and families.
