# RESOLUTION

Expressing the sense of the Senate regarding coming together as a Nation and ceasing all work or other activity for a moment of remembrance beginning at 1:00 PM Eastern Daylight Time on September 11, 2011, in honor of the 10th anniversary of the terrorist attacks committed against the United States on September 11, 2001.

Whereas at 8:46 AM, on September 11, 2001, hijacked American Airlines Flight 11 crashed into the upper portion of the North Tower of the World Trade Center in New York City, New York;

Whereas 17 minutes later, at 9:03 AM, hijacked United Airlines Flight 175 crashed into the South Tower of the World Trade Center;

Whereas at 9:37 AM, the west wall of the Pentagon was hit by hijacked American Airlines Flight 77, the impact of which caused immediate and catastrophic damage to the headquarters of the Department of Defense;

Whereas at approximately 10:00 AM, the passengers and crew of hijacked United Airlines Flight 93 acted heroically to retake control of the airplane and thwart the taking of additional American lives by crashing the airliner in Shanksville, Pennsylvania, and, in doing so, gave their lives to save countless others;

Whereas nearly 3,000 innocent civilians were killed in the heinous attacks of September 11, 2001;

Whereas tens of thousands of individuals narrowly escaped the attacks at the Pentagon and World Trade Center and, as witnesses to this tragedy, are forever changed;

Whereas countless fire departments, police departments, first responders, governmental officials, workers, emergency medical personnel, and volunteers responded immediately and heroically to those horrific events;

Whereas the Fire Department of New York suffered 343 fatalities on September 11, 2001, the largest loss of life of any emergency response agency in United States history;

Whereas the Port Authority Police Department suffered 37 fatalities in the attacks, the largest loss of life of any police force in United States history in a single day;

Whereas the New York Police Department suffered 23 fatalities as a result of the terrorist attacks;

Whereas the impact of that day on public health continues through 2011, as nearly 90,000 people are at risk of or suffering from negative health effects as a result of the events of September 11, 2001, including 14,000 workers and 2,400 community residents who are sick, and tens of thousands of others whose health is being monitored;

Whereas 10 years later, the people of the United States and people around the world continue to mourn the tremendous loss of innocent life on that fateful day;

Whereas 10 years later, thousands of men and women in the United States Armed Forces remain in harm's way defending the United States against those who seek to threaten the United States;

Whereas on the 10th anniversary of this tragic day, the thoughts of the people of the United States are with all of the victims of the events of September 11, 2001, and their families;

Whereas the lives of Americans were changed forever on September 11, 2001, when events threatened the American way of life;

Whereas in December 2001, Congress and the President joined together to designate September 11 as Patriot Day (Public Law 107–89);

Whereas in September 2002, and each September thereafter through September 2008, President Bush issued Proclamations 7590, 7702, 7812, 7929, 8047, 8174, and 8286 (67 Fed. Reg. 57125; 68 Fed. Whereas in 2009, Congress and the President joined together to designate September 11 as a National Day of Service and Remembrance under the Serve America Act (Public Law 111–13; 123 Stat. 1460);
