 12 and Empowerment Act of 2004 (42 U.S.C. 15001 note)
 13 are amended to read as follows:

14 **“SEC. 2. FINDINGS AND PURPOSE.**

15 “(a) FINDINGS.—Congress finds the following:

16 “(1) Special Olympics creates the possibilities
 17 of a world where everybody matters, everybody
 18 counts, and every person contributes.

19 “(2) The Government and the people of the
 20 United States recognize the dignity and value the

1 giftedness of children and adults with intellectual
2 disabilities.

3 “(3) The Government and the people of the
4 United States recognize that children and adults
5 with intellectual disabilities experience significant
6 health disparities, including lack of access to pri-
7 mary care services and difficulties in accessing com-
8 munity-based prevention and treatment programs
9 for chronic diseases.

10 “(4) The Government and the people of the
11 United States are determined to end the isolation
12 and stigmatization of people with intellectual disabil-
13 ities, and to ensure that such people are assured of
14 equal opportunities for community participation, ac-
15 cess to appropriate health care, and inclusive edu-
16 cation, and to experience life in a nondiscriminatory
17 manner.

18 “(5) For more than 40 years, Special Olympics
19 has encouraged skill development, sharing, courage,
20 and confidence through year-round sports training
21 and athletic competition for children and adults with
22 intellectual disabilities.

23 “(6) Special Olympics provides year-round
24 sports training and competitive opportunities to
25 more than 4,200,000 athletes with intellectual dis-

1 abilities in 30 individual and team sports and plans
2 to expand the benefits of participation through sport
3 to more than a million additional people with intel-
4 lectual disabilities within the United States and
5 worldwide over the next 5 years.

6 “(7) Research shows that participation in ac-
7 tivities involving both people with intellectual disabil-
8 ities and people without disabilities results in more
9 positive support for inclusion in society, including in
10 schools.

11 “(8) Special Olympics has demonstrated its
12 ability to provide a major positive effect on the qual-
13 ity of life of people with intellectual disabilities, im-
14 proving their health and physical well-being, building
15 their confidence and self-esteem, and giving them a
16 voice to become active and productive members of
17 their communities. In the United States, for exam-
18 ple, adults with intellectual disabilities who have par-
19 ticipated in Special Olympics have a 100 percent
20 greater chance of being employed than adults with
21 intellectual disabilities who have not.

22 “(9) In society as a whole, Special Olympics
23 has become a vehicle and platform for reducing prej-
24 udice, improving public health, promoting inclusion

1 efforts in schools and communities, and encouraging
2 society to value the contributions of all members.

4 thusiastically supports the Special Olympics move-

15 “(2) dispel negative stereotypes and establish
16 positive attitudes about people with intellectual dis-
