1ST SESSION

H. R. 1202

To prevent a fiscal crisis by enacting legislation to balance the Federal budget through reductions of discretionary and mandatory spending.

IN THE HOUSE OF REPRESENTATIVES

MARCH 14, 2013

Mr. AUSTIN SCOTT of Georgia (for himself, Mr. DUNCAN of South Carolina, and Mr. WESTMORELAND) introduced the following bill; which was referred to the Committee on the Budget, and in addition to the Committee on Rules, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To prevent a fiscal crisis by enacting legislation to balance the Federal budget through reductions of discretionary and mandatory spending.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “One Percent Spending
5 Reduction Act of 2013”.

6 **SEC. 2. CONGRESSIONAL FINDINGS AND PURPOSE.**

7 (a) FINDINGS.—The Congress finds the following:

1 (1) The fiscal crisis faced by the Federal Gov-
2 ernment demands immediate action.

3 (2) The dramatic growth in spending and debt
4 in recent years threatens our economic and national
5 security:

6 (A) Federal spending has grown from 18
7 percent of GDP in 2001 to nearly 23 percent
8 of GDP in 2012.

9 (B) Total Federal debt exceeds
10 \$16,000,000,000,000 and is projected to in-
11 crease each year over the next 10 years.

12 (C) Without action, the Federal Govern-
13 ment will continue to run massive deficits in the
14 next decade and total Federal debt will rise to
15 \$26,000,000,000,000 by 2023.

16 (D) Interest payments on this debt will
17 soon rise to the point where balancing the
18 budget as a matter of policy is beyond the reach
19 of Congress.

20 (3) Due to recent tax hikes, Federal revenues
21 are scheduled to rise to approximately 19 percent of
22 GDP, a full percentage point above the average of
23 about 18 percent of GDP over the past 40 years.

24 (4) Absent reform, the growth of Social Secu-
25 rity, Medicare, Medicaid, and other health-related

1 spending will overwhelm all other Federal programs
2 and consume all projected tax revenues.

3 (b) PURPOSE.—The purpose of this Act is to address
4 the fiscal crisis by—

5 (1) acting quickly to balance the Federal budg-
6 et and eliminate the parade of deficits and bal-
7 looning interest payments;

8 (2) achieving balance by reducing spending one
9 percent per year until spending equals projected
10 long-term revenues; and

11 (3) reforming entitlement programs to ensure
12 long-term fiscal stability and balance.

13 **SEC. 3. ESTABLISHMENT AND ENFORCEMENT OF SPEND-
14 ING CAP.**
