5 (a) CIVILIAN AGENCY CONTRACTS.—Section 3306 of
6 title 41, United States Code, is amended by adding at the
7 end the following new subsection:

8 “(g)(1) An executive agency, in issuing a solicitation
9 for competitive proposals, shall state in the solicitation
10 that the agency may consider information (in this sub-
11 section referred to as a ‘jobs impact statement’) that the
12 offeror may include in its offer related to the effects on
13 employment within the United States of the contract if
14 it is awarded to the offeror.

15 “(2) The information that may be included in a jobs
16 impact statement may include the following:

17 “(A) The number of jobs expected to be created
18 in the United States, or the number of jobs retained
19 that otherwise would be lost, if the contract is
20 awarded to the offeror.

21 “(B) The number of jobs created or retained in
22 the United States by the subcontractors expected to
23 be used by the offeror in the performance of the con-
24 tract.

25 “(C) A guarantee from the offeror that jobs
26 created or retained in the United States will not be

5 the offer and may request further information from the
6 offeror in order to verify the accuracy of any such informa-
7 tion submitted.

8 “(4) In the case of a contract awarded to an offeror
9 that submitted a jobs impact statement with the offer for
10 the contract, the executive agency shall, not later than six

12 thereafter for the duration of the contract or contract ex-
