15 plier designated as an established provider under
16 this section to demonstrate that the provider or sup-

18 quirements under subsection (b) based on annual
19 updates on the status of claims for payment under
20 this title for items and services furnished by such
21 provider or supplier with respect to each level of re-
22 view, including the number of such claims within
23 each such level of review for which a determination
24 was made that payment should be made, should be

1 partially made, or should not be made under this
2 title;

3 “(2) shall provide a method through which it
4 may be determined whether or not the qualifying re-

5 claim may not be withheld unless a final determina-
6 tion has been made that such payment should not be
7 made.

8 “(2) In the case that a final determination has
9 been made that payment under this title should not
10 have been made with respect to a claim described in
11 paragraph (1), repayment of such payment shall be
12 made electronically by the provider not later than 45
13 days after notification of such decision. In applying
14 the previous sentence, if the Secretary determines
15 that repayment within such 45-day period would re-
16 sult in a significant hardship to the provider in-
17 volved, the Secretary may, on a case-by-case basis,
18 extend the 45-day period described in such sentence
19 by such number of days as the Secretary determines
20 appropriate in accordance with a specified repay-
21 ment plan.

22 “(3) The Secretary shall provide for a method
23 to apply section 1869 with respect to an initial de-
24 termination of any claim submitted during such pe-
25 riod for payment under this title for items and serv-

1 ices furnished by such provider or supplier, without
2 the application of paragraph (3) of section 1869(a)
3 (relating to redeterminations).”.
