To provide emergency funding for port of entry personnel and infrastructure.

---

## IN THE HOUSE OF REPRESENTATIVES

DECEMBER 12, 2013

Mr. O'ROURKE (for himself, Mr. VELA, Mr. CUELLAR, Mr. GALLEGOS, Mr. MICHAUD, and Mr. BARBER) introduced the following bill; which was referred to the Committee on Homeland Security, and in addition to the Committees on Ways and Means, Appropriations, and Transportation and Infrastructure, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

---

## A BILL

To provide emergency funding for port of entry personnel  
and infrastructure.

1       *Be it enacted by the Senate and House of Representa-*

2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Emergency Port of  
5       Entry Personnel and Infrastructure Funding Act of  
6       2013”.

7       **SEC. 2. DEFINITIONS.**

8       In this Act:

1                             (1) ADMINISTRATOR.—The term “Administrator” means the Administrator of the General  
2                             Services Administration.

4                             (2) COMMISSIONER.—The term “Commissioner” means the Commissioner of U.S. Customs  
5                             and Border Protection.

7                             (3) NORTHERN BORDER.—The term “Northern border” means the international border between the  
8                             United States and Canada.

10                          (4) SECRETARY.—The term “Secretary” means the Secretary of Homeland Security.

12                          (5) SOUTHERN BORDER.—The term “Southern border” means the international border between the  
13                          United States and Mexico.

15 **SEC. 3. U.S. CUSTOMS AND BORDER PROTECTION PERSONNEL.**

17                          (a) STAFF ENHANCEMENTS.—

18                          (1) AUTHORIZATION.—In addition to positions  
19                          authorized before the date of the enactment of this  
20                          Act and any existing officer vacancies within U.S.  
21                          Customs and Border Protection on such date, the  
22                          Secretary, subject to the availability of appropriations  
23                          for such purpose, shall hire, train, and assign  
24                          to duty, by not later than September 30, 2019—

(B) 350 full-time support staff for all United States ports of entry.

14 (b) REPORTS TO CONGRESS.—

(2) SUFFICIENT AGRICULTURAL SPECIALISTS AND PERSONNEL.—Not later than 90 days after the date of the enactment of this Act, the Secretary, in consultation with the Secretary of Agriculture and the Secretary of Health and Human Services, shall submit a report to the committees set forth in paragraph (1) that contains each department's plans for ensuring the placement of sufficient U.S. Customs and Border Protection agriculture specialists, Animal and Plant Health Inspection Service entomologist identifier specialists, Food and Drug Administration consumer safety officers, and other relevant and related personnel at all Southern border land ports of entry.

(C) describes the methodology used to determine the distribution of additional personnel to address northbound and southbound cross-border inspections; and

12 (D) includes—

(iii) the new outcome-based performance measures adopted under section 5(c)(1).

22 (c) SECURE COMMUNICATION.—The Secretary shall  
23 ensure that each U.S. Customs and Border Protection of-  
24 ficer is equipped with a secure 2-way communication and  
25 satellite-enabled device, supported by system interoper-

1 ability, that allows U.S. Customs and Border Protection  
2 officers to communicate—

3                 (1) between ports of entry and inspection sta-  
4                 tions; and

5                 (2) with other Federal, State, tribal, and local  
6                 law enforcement entities.

7                 (d) BORDER AREA SECURITY INITIATIVE GRANT  
8 PROGRAM.—The Secretary shall establish a program for  
9 awarding grants for the purchase of—

10                 (1) identification and detection equipment; and  
11                 (2) mobile, hand-held, 2-way communication de-  
12                 vices for State and local law enforcement officers  
13                 serving on the Southern border.

14                 (e) PORT OF ENTRY INFRASTRUCTURE IMPROVE-  
15 MENTS.—The Commissioner may aid in the enforcement  
16 of Federal customs, immigration, and agriculture laws  
17 by—

18                 (1) designing, constructing, and modifying—  
19                         (A) United States ports of entry;  
20                         (B) living quarters for officers, agents, and  
21                         personnel;

22                         (C) technology and equipment, including  
23                         those deployed in support of standardized and  
24                         automated collection of vehicular travel time;  
25                         and

1                             (D) other structures and facilities, includ-  
2                             ing those owned by municipalities, local govern-  
3                             ments, or private entities located at land ports  
4                             of entry;

5                             (2) acquiring, by purchase, donation, exchange,  
6                             or otherwise, land or any interest in land determined  
7                             to be necessary to carry out the Commissioner's du-  
8                             ties under this section; and

9                             (3) constructing additional ports of entry along  
10                             the Southern border and the Northern border.

11                         (f) PRIORITIZATION.—In selecting improvements  
12                             under subsection (e), the Commissioner, in coordination  
13                             with the Administrator shall give priority consideration to  
14                             projects that will substantially—

15                             (1) reduce commercial and passenger vehicle  
16                             and pedestrian crossing wait times at one or more  
17                             ports of entry on the same border;

18                             (2) increase trade, travel efficiency, and the  
19                             projected total annual volume at one or more ports  
20                             of entry on the same border; and

21                             (3) enhance safety and security at border facil-  
22                             ties at one or more ports of entry on the same bor-  
23                             der.

24                         (g) CONSULTATION.—

(1) LOCATIONS FOR NEW PORTS OF ENTRY.—

2 The Secretary is encouraged to consult with the Sec-  
3 retary of the Interior, the Secretary of Agriculture,  
4 the Secretary of State, the International Boundary  
5 and Water Commission, the International Joint  
6 Commission, and appropriate representatives of  
7 States, Indian tribes, local governments, and prop-  
8 erty owners—

(A) to create any right or liability of the parties described in paragraph (1);

20 (B) to affect the legality or validity of any  
21 determination by the Secretary under this Act;  
22 or

(C) to affect any consultation requirement under any other law.

1       (h) AUTHORITY TO ACQUIRE LEASEHOLDS.—Not-  
2 notwithstanding any other provision of law, if the Secretary  
3 determines that the acquisition of a leasehold interest in  
4 real property and the construction or modification of any  
5 facility on the leased property are necessary to facilitate  
6 the implementation of this Act, the Secretary may—  
7                   (1) acquire such leasehold interest; and  
8                   (2) construct or modify such facility.

9       (i) AUTHORIZATION OF APPROPRIATIONS.—There is  
10 authorized to be appropriated to carry out this section,  
11 for each of the fiscal years 2014 through 2019,  
12 \$1,000,000,000, of which \$5,000,000 shall be used for  
13 grants authorized under subsection (d).

14       (j) OFFSET, RESCISSION OF UNOBLIGATED FED-  
15 ERAL FUNDS.—

16                   (1) IN GENERAL.—There is hereby rescinded,  
17 from appropriated discretionary funds that remain  
18 available for obligation on the date of the enactment  
19 of this Act (other than the unobligated funds re-  
20 ferred to in paragraph (4)), amounts determined by  
21 the Director of the Office of Management and Budg-  
22 et that are equal, in the aggregate, to the amount  
23 authorized to be appropriated under subsection (i).

1                         (2) IMPLEMENTATION.—The Director of the  
2                         Office of Management and Budget shall determine  
3                         and identify—

4                             (A) the appropriation accounts from which  
5                         the rescission under paragraph (1) shall apply;  
6                         and

7                             (B) the amount of the rescission that shall  
8                         be applied to each such account.

9                         (3) REPORT.—Not later than 60 days after the  
10                         date of the enactment of this Act, the Director of  
11                         the Office of Management and Budget shall submit  
12                         a report to Congress and to the Secretary of the  
13                         Treasury that describes the accounts and amounts  
14                         determined and identified under paragraph (2) for  
15                         rescission under paragraph (1).

16                         (4) EXCEPTIONS.—This subsection shall not  
17                         apply to unobligated funds of—

18                             (A) the Department of Defense;  
19                             (B) the Department of Veterans Affairs; or  
20                             (C) the Department of Homeland Security.

21 **SEC. 4. CROSS-BORDER TRADE ENHANCEMENT.**

22                         (a) AGREEMENTS AUTHORIZED.—For purposes of  
23                         facilitating the construction, alteration, operation, or  
24                         maintenance of a new or existing facility or other infra-  
25                         structure at a port of entry, the Administrator may—

- 1                         (1) enter into cost-sharing or reimbursement  
2                         agreements; or  
3                         (2) accept donations of—  
4                             (A) real or personal property (including  
5                             monetary donations); or  
6                             (B) nonpersonal services.

7                         (b) EVALUATION PROCEDURES.—

- 8                         (1) IN GENERAL.—Not later than 180 days  
9                         after the date of the enactment of this Act, the Ad-  
10                         ministrator, in consultation with the Secretary, shall  
11                         establish procedures for evaluating a proposal sub-  
12                         mitted by any person under subsection (a)—  
13                             (A) to enter into a cost-sharing or reim-  
14                             bursement agreement with the General Services  
15                             Administration to facilitate the construction, al-  
16                             teration, operation, or maintenance of a new or  
17                             existing facility or other infrastructure at a  
18                             land border port of entry; or  
19                             (B) to provide the Administration with a  
20                             donation of real or personal property (including  
21                             monetary donations) or nonpersonal services to  
22                             be used in the construction, alteration, oper-  
23                             ation, or maintenance of a facility or other in-  
24                             frastructure at a land border port of entry  
25                             under the control of the Administration.

1                             (2) SPECIFICATION.—Donations made under  
2 paragraph (1)(B) may specify—

3                                 (A) the land port of entry facility or facil-  
4                                 ties in support of which the donation is being  
5                                 made; and

6                                 (B) the time frame in which the donated  
7                                 property or services shall be used.

8                             (3) RETURN OF DONATION.—If the Adminis-  
9                                 trator does not use the property or services donated  
10                              pursuant to paragraph (1)(B) for the specific facility  
11                              or facilities designated pursuant to paragraph (2)(A)  
12                              or within the time frame specified pursuant to para-  
13                              graph (2)(B), such donated property or services  
14                              shall be returned to the person that made the dona-  
15                              tion.

16                             (4) DETERMINATION AND NOTIFICATION.—

17                                 (A) IN GENERAL.—Not later than 90 days  
18                              after receiving a proposal pursuant to sub-  
19                              section (a) with respect to the construction or  
20                              maintenance of a facility or other infrastructure  
21                              at a land border port of entry, the Adminis-  
22                              trator shall—

23                                     (i) make a determination with respect  
24                                      to whether or not to approve the proposal;  
25                                      and

(B) CONSIDERATIONS.—In determining whether or not to approve a proposal under this subsection, the Administrator shall consider—

10 (i) the impact of the proposal on re-  
11 ducing wait times at that port of entry and  
12 other ports of entry on the same border;

18       (c) DELEGATION.—For facilities at which the Admin-  
19 istrator has delegated or transferred to the Secretary, op-  
20 erations, ownership, or other authorities over land border  
21 ports of entry, the authorities and requirements of the Ad-  
22 ministrator under this section shall be deemed to apply  
23 to the Secretary.

## 1 SEC. 5. IMPLEMENTATION OF GOVERNMENT ACCOUNT-

2                   **ABILITY OFFICE FINDINGS.**

## 3                   (a) BORDER WAIT TIME DATA COLLECTION.—

4                   (1) STRATEGIC PLAN.—The Secretary, in con-  
5                   sultation with the Commissioner, the Administrator  
6                   of the Federal Highway Administration, State De-  
7                   partments of Transportation, and other public and  
8                   private stakeholders, shall develop a strategic plan  
9                   for standardized collection of vehicle wait times at  
10                  land ports of entry.

11                  (2) ELEMENTS.—The strategic plan required  
12                  under paragraph (1) shall include—

13                  (A) a description of how U.S. Customs and  
14                  Border Protection will ensure standardized  
15                  manual wait time collection practices at ports of  
16                  entry;

17                  (B) a timeline for incorporating standard-  
18                  ized data into existing online platforms for pub-  
19                  lic reporting;

20                  (C) the identification of a standardized  
21                  measurement and validation wait time data tool  
22                  for use at all land ports of entry; and

23                  (D) an assessment of the feasibility and  
24                  cost for supplementing and replacing manual  
25                  data collection with automation, which should

1           utilize existing automation efforts and re-  
2           sources.

3       (b) STAFF ALLOCATION.—The Secretary, in con-  
4 sultation with the Commissioner and State, municipal, and  
5 private sector stakeholders at each port of entry, shall de-  
6 velop a standardized model for the allocation of U.S. Cus-  
7 toms and Border Protection officers and support staff at  
8 land ports of entry, including allocations specific to field  
9 offices and the port level that utilizes—

10           (1) current and future operational priorities  
11           and threats;

12           (2) historical staffing levels and patterns; and

13           (3) anticipated traffic flows.

14       (c) OUTCOME-BASED PERFORMANCE MEASURES.—

15           (1) IN GENERAL.—The Secretary, in consulta-  
16 tion with the Commissioner and relevant public and  
17 private sector stakeholders, shall identify and adopt  
18 new outcome-based performance measures that sup-  
19 port the trade facilitation goals of U.S. Customs and  
20 Border Protection.

21           (2) EFFECT OF TRUSTED TRAVELER AND SHIP-  
22 PER PROGRAMS.—Outcome-based performance meas-  
23 ures identified under this subsection may include—

24           (A) the extent to which trusted traveler  
25 and shipper program participants experience

1           decreased annual percentage wait time com-  
2           pared to nonparticipants; and

3           (B) the extent to which trusted traveler  
4           and shipper program participants experience an  
5           annual reduction in percentage of referrals to  
6           secondary inspection facilities compared to non-  
7           participants.

8           (3) REPORT.—Not later than 90 days after the  
9           date of the enactment of this Act, the Secretary  
10          shall submit a report to the committees set forth in  
11          section 3(b)(1) that identifies—

12           (A) the new performance measures devel-  
13           oped under this subsection; and

14           (B) the process for the incorporation of  
15           such measures into existing performance meas-  
16           ures.
