19 **NESS.**

20 (a) STANDARD DEFINITION.—Except as provided by
21 subsection (b), the Secretary of Veterans Affairs shall en-
22 sure that any research conducted or funded by the Sec-

24 approximately 25 percent of Gulf War veterans—

1 (1) refers to the illness as “Gulf War Illness”;

2 and

3 (2) uses the research case definition of such ill-
4 ness that is recommended from time to time by the
5 Research Advisory Committee on Gulf War Vet-
6 erans’ Illnesses established by section 707 of the
7 Veterans Health Care Act of 1992 (Public Law
8 102–585; 38 U.S.C. 527 note).

9 (b) ALTERNATIVE DEFINITION.—During any period
10 in which the Research Advisory Committee on Gulf War
11 Veterans’ Illnesses has not recommended a research case
12 definition for Gulf War Illness, the Secretary of Veterans
13 Affairs shall ensure that any research on such illness con-
14 ducted or funded by the Secretary uses a research case
15 definition that is consistent with the definition of the term
16 “chronic multisymptom illness in Persian Gulf War vet-
17 erans” provided by section 805(e) of the Veterans’ Bene-

2 (a) CONDUCT OF NEW STUDIES.—

10 (2) SUFFICIENT EVIDENCE OF ASSOCIATION.—

In conducting or funding any study relating to illnesses of Gulf War veterans, or other health matters of veterans, on or after the date of the enactment of this Act, the Institute of Medicine of the National Academies shall ensure that such study is conducted in a manner that defines “sufficient evidence of an association” in the “categories of association” used in the study as the following: “Evidence is sufficient to conclude that there is a positive association. That is, a positive association has been observed between an exposure to a specific agent and a health outcome in human or animal studies in which chance, bias, and confounding could be ruled out with reasonable confidence.”.

25 (b) SENSE OF CONGRESS ON NATIONAL COHORT

26 STUDY.—It is the sense of Congress that the Secretary

1 of Veterans Affairs should conduct an additional follow-
2 up study of a national cohort of Gulf War and Gulf-War-
3 Era veterans that includes questions described in the
4 “Symptom Inventory Required to Ascertain Case Status
5 for Gulf War Multisymptom Illness, as Defined by both
6 the Fukuda and Kansas criteria” published by the Re-
7 search Advisory Committee on Gulf War Veterans’ Ill-
8 nesses on June 9, 2012, in appendix F of the document

17 804 of the Veterans’ Benefits Improvement Act of 2008
18 (Public Law 110–389; 122 Stat. 4187).

19 (d) SENSE OF CONGRESS ON PREVIOUSLY CON-

24 carry out the review described in section 805 of the
25 Veterans’ Benefits Act of 2010 (Public Law 111–

1 275; 124 Stat. 2890), regardless of any previous re-
2 view conducted under such section, in a manner that
3 ensures that the Institute of Medicine convenes to
4 conduct the review a group of medical professionals
5 who are experienced in treating individuals who
6 served as members of the Armed Forces in the
7 Southwest Asia Theater of Operations of the Persian
8 Gulf War during 1990 or 1991 and who have been
9 diagnosed with Gulf War illness, chronic multisym-
10 ptom illness, or another health condition related to
11 chemical and environmental exposure that may have
12 occurred during such service;

13 (2) seek to enter into an agreement with the In-
14 stitute of Medicine to carry out the review described
15 in section 1603 of the Persian Gulf War Veterans
16 Act of 1998 (Public Law 105–277; 38 U.S.C. 1117

18 under such section, addressing the matters originally
19 reviewed by the Institute of Medicine in the reports
20 titled “Gulf War and Health: Volume 1. Depleted
21 Uranium, Sarin, Pyridostigmine Bromide, and Vac-
22 cines”, “Gulf War and Health: Volume 2. Insecti-
23 cides and Solvents”, and “Gulf War and Health:
24 Volume 3. Fuels, Combustion Products, and Propel-
25 lants”; and

6 (e) SENSE OF CONGRESS ON CONSULTATION.—It is
7 the sense of Congress that the Secretary of Veterans Af-
8 fairs should, prior to entering into a contract or agreement
9 with the Institute of Medicine of the National Academies
10 with respect to research or studies on the health of Gulf
11 War veterans, obtain the advice of the Research Advisory
12 Committee on Gulf War Veterans' Illnesses established by
13 section 707 of the Veterans Health Care Act of 1992
14 (Public Law 102–585; 38 U.S.C. 527 note) regarding the
15 scope of work and the charge to be given to the Institute
16 of Medicine.

17 (f) SENSE OF CONGRESS ON INCLUSION OF CERTAIN
18 PROFESSIONALS IN SCIENTIFIC OR MEDICAL GROUPS.—
19 It is the sense of Congress that, in any contract requiring
20 the Institute of Medicine of the National Academies to
21 convene a committee to study the health of Gulf War vet-
22 erans, the Secretary of Veterans Affairs should ensure
23 that any such committee convened should contain not less
24 than three members of the Research Advisory Committee
25 on Gulf War Veterans' Illnesses established by section 707

1 of the Veterans Health Care Act of 1992 (Public Law
2 102–585; 38 U.S.C. 527 note).

3 (g) SENSE OF CONGRESS ON NOTIFICATION OF
4 UNDUE INFLUENCE.—It is the sense of Congress that the
5 Secretary of Veterans Affairs should promptly notify the
6 congressional veterans committees of any employee or con-
7 tractor of the Federal Government whom the Secretary
8 believes influenced, or attempted to influence, the outcome
9 of a report or study on the health of Gulf War veterans
10 conducted by the Department of Veterans Affairs or the
11 Institute of Medicine of the National Academies if such
12 influence was not related to a scientifically objective out-
13 come.
