## A BILL

To amend the Native American Business Development, Trade Promotion, and Tourism Act of 2000 to require the Secretary of Commerce to prepare and submit to Congress a report and recommendations to promote the sustained economic development of Indian tribes and Indian lands.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Indian Country Eco-  
5       nomic Revitalization Act of 2014”.

1   **SEC. 2. FINDINGS.**

2       Congress finds the following:

3           (1) In 2000, the Native American Business De-  
4       velopment, Trade Promotion, and Tourism Act  
5       (Public Law 106–464; 25 U.S.C. 4301 et seq.) iden-  
6       tified the need for the Federal Government to pro-  
7       mote long-range economic development of Indian  
8       lands.

9           (2) This law established within the Department  
10      of Commerce an office to coordinate Federal pro-  
11      grams related to Indian economic development, pro-  
12      mote the international trade and export of Indian  
13      goods and services, and conduct intertribal tourism  
14      demonstration projects.

15           (3) To have additional impact, this law should  
16      be amended to expand Federal support for the eco-  
17      nomic development of Indian tribes and Indian  
18      lands.

19           (4) Recent fiscal priorities of the Federal Gov-  
20      ernment have negatively impacted Indian tribes as  
21      well as others due to their dependence upon Federal  
22      funds.

23           (5) The Federal Government has a trust re-  
24      sponsibility to Indian tribes and should support trib-  
25      al-owned enterprises and Indian-owned businesses by  
26      preparing recommendations for Congress on im-

1 proved statutory measures that support the develop-  
2 ment of sustainable tribal economies.

3 **SEC. 3. REPORT AND RECOMMENDATIONS TO CONGRESS**

4 **ON TRIBAL ECONOMIC DEVELOPMENT.**

5 The Native American Business Development, Trade  
6 Promotion, and Tourism Act of 2000 (Public Law 106–  
7 464; 25 U.S.C. 4301 et seq.) is amended—

- 8 (1) by redesignating section 8 as section 9; and
