

113TH CONGRESS
2D SESSION

H. R. 4888

To provide for the identification and dissemination of best practices for medical professionals and other health care providers relative to neonatal abstinence syndrome, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JUNE 18, 2014

Ms. CLARK of Massachusetts (for herself and Mr. STIVERS) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To provide for the identification and dissemination of best practices for medical professionals and other health care providers relative to neonatal abstinence syndrome, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*

2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Coordinated Recovery

5 Initiative for Babies Act of 2014” or the “CRIB Act of

6 2014”.

1 **SEC. 2. IDENTIFICATION, TREATMENT, AND SURVEILLANCE**

2 **OF NEONATAL ABSTINENCE SYNDROME.**

3 (a) STUDY.—The Secretary of Health and Human
4 Services (in this Act referred to as the “Secretary”) shall
5 conduct a study to identify—

6 (1) the most effective and beneficial methods
7 that are currently available to identify the need for
8 treating and best treatment methods for, infants di-
9 agnosed with neonatal abstinence syndrome;

10 (2) barriers, including associated costs and limi-
11 tations or disparities in the availability or scope of
12 health insurance coverage, that may hinder the clin-
13 ical use of best practices by medical professionals
14 and other health care providers for the identification
15 and treatment of neonatal abstinence syndrome;

16 (3) circumstances, such as populations with
17 unique needs and health care settings with limited
18 resources, that may require particularized best prac-
19 tices for medical professionals and other health care
20 providers for the identification and treatment of neo-
21 natal abstinence syndrome;

22 (4) existing surveillance measures within the
23 Department of Health and Human Services (in this
24 Act referred to as the “Department”) and in State
25 health agencies relating to neonatal abstinence syn-
26 drome; and

1 (5) areas in which information on neonatal ab-
2 ststinence syndrome and its surrounding cir-
3 cumstances is insufficient, incomplete, or requires
4 further study or analysis.

5 (b) ADVISORY PANEL.—

6 (1) ESTABLISHMENT.—The Secretary shall con-
7 vene an advisory panel (in this section referred to as
8 the “Panel”) to identify and compile the best prac-
9 tices under subsection (c). The Secretary shall re-
10 convene the Panel for such purpose whenever the
11 Secretary, with the advice of the Panel, determines
12 updates are needed to the list of best practices under
13 subsection (e), but no less than every 2 years.

14 (2) MEMBERS.—The Panel shall be composed
15 of 19 members, all of whom shall be medical profes-
16 sionals or health care providers with expertise in
17 neonatal abstinence syndrome. Members shall rep-
18 resent the broad range of such professionals and
19 providers necessary to identify and compile the best
20 practices for identification and treatment of neonatal
21 abstinence syndrome, including representatives of—

22 (A) The American Academy of Family
23 Physicians.

24 (B) The American Academy of Pediatrics.

1 (R) The National Association of Pediatric
2 Nurse Practitioners.

3 (S) The National Association of Social
4 Workers.

5 (3) ADMINISTRATIVE SUPPORT.—The Secretary
6 shall provide appropriate administrative support, in-
7 cluding technical assistance, to the Panel.

8 (c) BEST PRACTICES; PLAN; REPORT.—Not later
9 than 12 months after the date of enactment of this Act,
10 the Secretary shall—

11 (1)(A) identify and compile the best practices
12 for medical professionals and other health care pro-
13 viders for identifying and treating neonatal absti-
14 nence syndrome; and

15 (B) identify any gaps in best practices for med-
16 ical professionals and other health care providers
17 that may require additional research or analysis;

18 (2) develop and implement a plan for the co-
19 ordination and, if necessary, expansion and enhance-
20 ment of public health surveillance of neonatal absti-
21 nence syndrome that—

22 (A) identifies the data necessary for a pub-
23 lic health response to neonatal abstinence syn-
24 drome;

1 (B) identifies any gaps in current surveil-
2 lance or coordination that results in the lack of
3 collection of such data, including a lack of time-
4 lines or standardization of data reporting;

(D) designates an appropriate agency in
the Department to coordinate such data; and

15 (A) relate to neonatal abstinence syn-
16 drome, including its causes, identification,
17 treatment, prevalence, and effects; and

(B) public health issues related to neonatal abstinence syndrome that would benefit from further study.

21 (d) DISSEMINATION OF BEST PRACTICES.—The Sec-
22 retary—

23 (1) shall disseminate the best practices identi-
24 fied and compiled under subsection (c), including
25 any updates under subsection (e), directly or

1 through arrangements with nonprofit organizations,
2 government agencies, or the media;

3 (2) shall post such best practices on the public
4 Internet site of the Department; and

5 (3) may include in such dissemination any sup-
6 plemental information which the Secretary deter-
7 mines to be relevant and appropriate, in consultation
8 with the Panel.

9 (e) UPDATES TO BEST PRACTICES.—The Secretary
10 shall periodically, but no less often than every 2 years,
11 review the best practices identified under subsection (c)
12 to ensure that such best practices are up-to-date and re-
13 flect the views of the medical community, including organi-
14 zations listed in subsection (b)(2).

15 (f) APPROPRIATE AGENCY.—In designating an ap-
16 propriate agency within the Department under subsection
17 (c), the Secretary shall consider, among other factors,
18 agency resources, purpose, expertise, and capability to
19 conduct public health programs and research.
