7 considered a restriction of trade and an unfair
8 competitive advantage benefitting Chinese gov-
9 ernment-controlled media organizations. As
10 such, the U.S. Government should link to any
11 bilateral investment treaty, currently being ne-
12 gotiated, language that guarantees fair treat-
13 ment of journalists, a reciprocal number of
14 journalist visas, and free and unfettered oper-
15 ation of news Web sites in China.”.
