2 (a) SENSE OF CONGRESS.—Although effective security checks are needed to ensure that the United States and the Nation’s refugee admissions program are adequately protected, it is the sense of the Congress that the failure to properly coordinate security and non-security clearance procedures has had negative impacts on the processing of vulnerable individuals who are in need of, and eligible for, resettlement to the United States.

14 States.

15 (b) DESIGN AND IMPLEMENTATION.—In designing  
16 and implementing the programs referred to in subsection

22 English as a second language training program to refu-  
23 gees, and recommendations on whether such programs  
24 should be continued, broadened, or modified, and shall

1 submit to the appropriate congressional committees a re-  
2 port on the findings of such study.

3 (f) RULE OF CONSTRUCTION.—Nothing in this sec-  
4 tion shall be construed to require that a refugee partici-  
5 pate in such a training program as a precondition for the  
6 admission to the United States of such refugee.
