

113TH CONGRESS
1ST SESSION

H. RES. 110

Directing the Clerk of the House of Representatives to provide members of the public with Internet access to certain Congressional Research Service publications, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MARCH 12, 2013

Mr. LANCE (for himself, Mr. QUIGLEY, Mr. COOPER, Mr. GRIJALVA, Mr. POLIS, and Mr. SCHIFF) submitted the following resolution; which was referred to the Committee on House Administration

RESOLUTION

Directing the Clerk of the House of Representatives to provide members of the public with Internet access to certain Congressional Research Service publications, and for other purposes.

1 *Resolved,*

2 **SECTION 1. SHORT TITLE; FINDINGS.**

3 (a) **SHORT TITLE.**—This Act may be cited as the
4 “Public Access to Congressional Research Service Reports
5 Resolution of 2013” or the “Congressional Research Serv-
6 ice Electronic Accessibility Resolution of 2013”.

7 (b) **FINDINGS.**—Congress finds the following:

1 (1) The Congressional Research Service, a spe-
2 cial reference unit within the Library of Congress,
3 offers invaluable research and analysis to Members
4 of Congress on all current and emerging issues of
5 national policy.

6 (2) The Congressional Research Service staff of
7 approximately 700 employees, including lawyers,
8 economists, reference librarians, and social, natural,
9 and physical scientists, are governed by require-
10 ments for accuracy, objectivity, balance, and non-
11 partisanship.

12 (3) The Congressional Research Service has a
13 responsibility to ensure that Members of Congress
14 have available the best possible information and
15 analysis on which to base the policy decisions the
16 American people have elected them to make.

17 (4) It is often burdensome, difficult, and time-
18 consuming for citizens to obtain access to objective
19 and nonpartisan policy analysis on issues affecting
20 their interests.

21 (5) It will enhance our democracy to provide
22 citizens with access to unbiased and accurate CRS
23 documents on legislation and other critical issues be-
24 fore Congress.

1 (6) Allowing public access to CRS will empower
2 citizens and enable Members of Congress to become
3 even more effective “representatives” of the public’s
4 concerns and goals.

5 **SEC. 2. AVAILABILITY OF CERTAIN CONGRESSIONAL RE-**
6 **SEARCH SERVICE INFORMATION.**
