RESOLUTION

Supporting the goals and ideals of Professional Social Work
Month and World Social Work Day.

Whereas the social work profession has been instrumental in achieving civil rights and human rights advances in the United States and across the globe for more than a century;

Whereas the primary mission of social work is to enhance human well-being and help meet the basic needs of all people, especially the most vulnerable;

Whereas programs and services provided by professional social workers are essential elements of the United States social safety net;

Whereas social workers make a critical impact in adolescent and youth development, aging and family caregiving, child protection and family services, health care navigation, mental and behavioral health treatment, military and veterans assistance, nonprofit management and community development, and poverty reduction;

Whereas social workers function as specialists, consultants, private practitioners, educators, community leaders, policymakers, and researchers;

Whereas social workers influence many different organizations and human service systems and are employed in workplaces ranging from private and public agencies, hospices and hospitals, schools and clinics, to businesses and corporations, military units, elected offices, think tanks, and foundations;

Whereas social workers seek to improve social functioning and social conditions for people in emotional, psychological, economic, and physical need;

Whereas social workers are experts in care coordination, case management, and therapeutic treatment for biopsychosocial issues, and have roles in more than 50 different fields of practice;

Whereas social workers believe that a Nation's strength depends on the ability of the majority of individuals to lead productive and healthy lives;

Whereas social workers help people, who are often navigating major life challenges, find hope and new options for achieving their maximum potential;

Whereas social workers identify and address gaps in social systems that impede full participation by individuals or groups in society; and

Whereas March is recognized as Professional Social Work Month and World Social Work Day is recognized on March 20, 2013: Now, therefore, be it
