

113TH CONGRESS
1ST SESSION

H. RES. 123

Expressing support for designation of May as National Stroke Awareness Month.

IN THE HOUSE OF REPRESENTATIVES

MARCH 18, 2013

Mrs. BEATTY submitted the following resolution; which was referred to the Committee on Energy and Commerce

RESOLUTION

Expressing support for designation of May as National Stroke Awareness Month.

Whereas stroke, also known as a cerebrovascular accident, is an acute neurologic injury that occurs when the blood supply to a part of the brain is interrupted by a clot in the artery or a burst of the artery;

Whereas stroke is a medical emergency that can cause permanent neurologic damage or even death if not promptly diagnosed and treated;

Whereas in the United States, stroke is the fourth leading cause of death;

Whereas, according to the Centers for Disease Control and Prevention, 1 person in the United States dies from stroke every 4 minutes;

Whereas every year, more than 795,000 people in the United States have a stroke;

Whereas stroke costs the United States an estimated \$54,000,000,000 each year, including the costs of health care services, medications, and missed days of work;

Whereas stroke is a leading cause of serious long-term disability;

Whereas those disabilities may require ongoing physical therapy and surgeries;

Whereas the permanent health concerns and treatments resulting from stroke have a considerable impact on children, families, and society; and

Whereas May would be an appropriate month to designate as National Stroke Awareness Month: Now, therefore, be it

1 *Resolved*, That the House of Representatives—

2 (1) supports the designation of National Stroke
3 Awareness Month;

4 (2) encourages the people of the United States
5 to support the efforts, programs, services, and advocacy
6 of organizations that work to enhance public
7 awareness of stroke; and

8 (3) encourages continued coordination and co-
9 operation between government, researchers, families,
10 and the public to improve treatments and prognoses
11 for individuals who suffer strokes.
