RESOLUTION

Supporting the contributions of Catholic schools.

Whereas Catholic schools in the United States are internationally acclaimed for their academic excellence, and provide students with more than an exceptional scholastic education;

Whereas Catholic schools instill a broad, values-added education emphasizing the lifelong development of moral, intellectual, physical, and social values in young people in the United States;

Whereas Catholic schools provide a high level of service to the Nation by providing a diverse student population from all

regions of the country and all socio-economic backgrounds, with more than 30 percent of students from minority backgrounds and nearly 15.4 percent non-Catholic, a strong academic and moral foundation;

Whereas Catholic schools are an affordable option for parents, particularly in underserved urban areas;

Whereas Catholic schools produce students strongly dedicated to their faith, values, families, and communities by providing an intellectually stimulating environment rich in spiritual, character, and moral development;

Whereas Catholic schools are committed to community service, producing graduates who hold “helping others” as one of their core values;

Whereas the total Catholic school student enrollment for the 2011–2012 academic year was over 2,000,000 and the student-teacher ratio was 13.1 to 1;

Whereas the Catholic high school graduation rate is 99 percent, with nearly 85 percent of graduates attending 4-year colleges;

Whereas in the 1972 pastoral message concerning Catholic education, the National Conference of Catholic Bishops stated, “Education is one of the most important ways by which the Church fulfills its commitment to the dignity of the person and building of community. Community is central to education ministry, both as a necessary condition and an ardently desired goal. The educational efforts of the Church, therefore, must be directed to forming persons-in-community; for the education of the individual Christian is important not only to his solitary destiny, but also the destinies of the many communities in which he lives.”;

Whereas the week of January 27, 2013, to February 2, 2013, has been designated as National Catholic Schools Week by the National Catholic Educational Association and the United States Conference of Catholic Bishops; and

Whereas the theme for National Catholic Schools Week 2012 is “Catholic Schools Raise the Standards”: Now, therefore, be it
