IN THE SENATE OF THE UNITED STATES

JUNE 13, 2013

Mr. WARNER (for himself and Mr. ENZI) introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

A BILL

To require the Secretary of the Treasury to mint coins commemorating the 100th anniversary of the establishment of the National Park Service, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National Park Service
5 100th Anniversary Commemorative Coin Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1 (1) in 1916, Congress established the National
2 Park Service as a bureau within the Department of
3 the Interior to administer the great national parks
4 and monuments in the United States as a unified
5 National Park System;

6 (2) from 1916 to the present, the National
7 Park System has grown from 37 park units with
8 6,000,000 acres of land in the western United
9 States to more than 395 units with 84,000,000
10 acres of land in nearly every State and territory;

11 (3) the responsibilities of the National Park
12 Service have expanded to include—

13 (A) managing national historic trails and
14 national scenic trails;

15 (B) administering wild and scenic rivers;

16 (C) recognizing the most significant his-
17 toric resources in the United States through the
18 National Register of Historic Places and the
19 National Historic Landmark program;

20 (D) providing historic preservation grants;
21 and

22 (E) assisting communities in meeting their
23 preservation, conservation, and recreation
24 needs;

1 (4) the National Park Service Organic Act of
2 1916 (Public Law 64–408, 39 Stat. 535), which es-
3 tablished the National Park Service, remains the
4 preeminent law guiding the management of parks
5 and articulating the core mission of the National
6 Park Service, “to conserve the scenery and the nat-
7 ural and historic objects and the wild life therein
8 and to provide for the enjoyment of the same in
9 such manner and by such means as will leave them
10 unimpaired for the enjoyment of future genera-
11 tions”;

12 (5) the 100th anniversary of the National Park
13 Service in 2016 will be an occasion to celebrate a
14 century of American vision and achievement in iden-
15 tifying and preserving the special places in the
16 United States for the benefit of all, and the culmina-
17 tion of 100 years of accomplishments by the employ-
18 ees, partners, and volunteers of the National Park
19 Service;

20 (6) 2016 also will mark the beginning of the 2d
21 century of service of the dedicated employees, part-
22 ners, and volunteers of the National Park Service to
23 the people of the United States as environmental
24 leaders and vigilant stewards of the treasured places
25 and stories of the United States;

1 (7) coins commemorating the 100th anniversary
2 of the National Park Service will bring national and
3 international attention to the National Park System
4 and to the legacy Congress left in 1916 when it es-
5 tablished a Federal agency to ensure the protection
6 of the most treasured natural and cultural resources
7 in the United States for all time; and

8 (8) the proceeds from a surcharge on the sale
9 of commemorative coins will assist the financing of
10 the needs of the parks and programs of the National
11 Park Service, helping to ensure that the great nat-
12 ural and cultural resources of the United States will
13 endure for generations to come.
