4 Sections 2 through 5 of the Special Olympics Sport
5 and Empowerment Act of 2004 (42 U.S.C. 15001 note)
6 are amended to read as follows:

7 **“SEC. 2. FINDINGS AND PURPOSE.**

8 “(a) FINDINGS.—Congress finds the following:

9 “(1) Special Olympics creates the possibilities
10 of a world where everybody matters, everybody
11 counts, and every person contributes.

12 “(2) The Government and the people of the
13 United States recognize the dignity and value the
14 giftedness of children and adults with intellectual
15 disabilities.

16 “(3) The Government and the people of the
17 United States recognize that children and adults
18 with intellectual disabilities experience significant
19 health disparities, including lack of access to pri-
20 mary care services and difficulties in accessing com-

1 munity-based prevention and treatment programs
2 for chronic diseases.

3 “(4) The Government and the people of the
4 United States are determined to end the isolation
5 and stigmatization of people with intellectual disabil-
6 ties, and to ensure that such people are assured of
7 equal opportunities for community participation, ac-
8 cess to appropriate health care, and inclusive edu-
9 cation, and to experience life in a nondiscriminatory
10 manner.

11 “(5) For more than 40 years, Special Olympics
12 has encouraged skill development, sharing, courage,
13 and confidence through year-round sports training
14 and athletic competition for children and adults with
15 intellectual disabilities.

16 “(6) Special Olympics provides year-round
17 sports training and competitive opportunities to
18 more than 4,200,000 athletes with intellectual dis-
19 abilities in 30 individual and team sports and plans
20 to expand the benefits of participation through sport
21 to more than a million additional people with intel-
22 lectual disabilities within the United States and
23 worldwide over the next 5 years.

24 “(7) Research shows that participation in ac-
25 tivities involving both people with intellectual disabil-

1 ities and people without disabilities results in more
2 positive support for inclusion in society, including in
3 schools.

4 “(8) Special Olympics has demonstrated its
5 ability to provide a major positive effect on the qual-
6 ity of life of people with intellectual disabilities, im-
7 proving their health and physical well-being, building
8 their confidence and self-esteem, and giving them a
9 voice to become active and productive members of
10 their communities. In the United States, for exam-
11 ple, adults with intellectual disabilities who have par-
12 ticipated in Special Olympics have a 100 percent
13 greater chance of being employed than adults with
14 intellectual disabilities who have not.

15 “(9) In society as a whole, Special Olympics
16 has become a vehicle and platform for reducing prej-
17 udice, improving public health, promoting inclusion
18 efforts in schools and communities, and encouraging
19 society to value the contributions of all members.

20 “(10) The Government of the United States en-
21 thusiastically supports the Special Olympics move-
22 ment, recognizes its importance in improving the
23 lives of people with intellectual disabilities and their
24 families, and recognizes Special Olympics as a val-

1 ued and important component of the global commu-
2 nity.

3 “(b) PURPOSE.—The purposes of this Act are to—

4 “(1) provide support to Special Olympics to in-
5 crease athlete participation in, and public awareness
6 about, the Special Olympics movement, including ef-
7 forts to promote broader community inclusion;

8 “(2) dispel negative stereotypes and establish
9 positive attitudes about people with intellectual dis-
10 abilities;

11 “(3) build community engagement through
12 sports and related activities; and

13 “(4) promote the extraordinary gifts and con-
14 tributions of people with intellectual disabilities.
