A BILL

To designate certain Federal land in the San Juan National Forest in the State of Colorado as wilderness, and for other purposes.

- 1 *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*
- 2 **SECTION 1. SHORT TITLE.**
- 3 *This Act may be cited as the “Hermosa Creek Water-*
- 4 *shed Protection Act of 2013”.*

1 SEC. 2. FINDINGS.

2 Congress finds that—

3 (1) the ecological health and integrity of the
4 Hermosa Creek Watershed and the economic health
5 of the surrounding communities that rely on the Wa-
tershed are connected;

7 (2) the Watershed—

8 (A) is the only area in the State that is not
9 a unit of National Wilderness Preservation Sys-
10 tem to achieve a designation of outstanding
11 waters by the State;12 (B) provides a crucial source of clean
13 drinking water for the residents of the Animas
14 River Valley and the city of Durango, Colorado;
15 and16 (C) provides high quality agricultural
17 water supplies from Hermosa Creek and the
18 Animas River;19 (3) the Watershed helps ensure the economic
20 prosperity of local communities in the area that de-
21 pend on the Watershed for water supplies, recre-
22 ation, hunting, fishing, hiking, biking, camping, ski-
23 ing and related winter activities, off-road vehicle
24 travel, scientific research, mineral extraction, and
25 sustainable natural resource development;

1 (4) the world-class Hermosa Creek trail net-
2 work contains outstanding single track mountain
3 bike riding, backcountry hiking, equestrian riding,
4 and motorcycle riding;

5 (5) the Watershed provides visitors the oppor-
6 tunity to enjoy the tremendous scenic, natural, cul-
7 tural, and recreational resources of the area;

8 (6) ecologically sustainable grazing has been
9 conducted in a manner that has preserved the high
10 quality of the Watershed;

11 (7) the native Colorado River cutthroat trout
12 fishery located in the Watershed—

13 (A) is one of the most important fisheries
14 in the State;

15 (B) is crucial for the long-term survival of
16 the cutthroat trout; and

17 (C) provides an opportunity for anglers to
18 have a catch and release fishery for the cut-
19 throat trout;

20 (8) the work of Colorado Parks and Wildlife to
21 enhance the fishery referred to in paragraph (7) has
22 been a tremendous success and a great example of
23 cooperative conservation efforts to recover an imper-
24 ited species of fish;

25 (9) the Watershed—

1 (A) provides some of the best backcountry
2 elk habitat in the State; and

3 (B) supports outstanding hunting opportu-
4 nities;

5 (10) the large areas of undisturbed forest in the
6 Watershed (including some of the best stands of old
7 growth ponderosa pine in the State) provide excel-
8 lent wildlife habitat and excellent opportunities for
9 solitude and backcountry recreation; and

10 (11) designation of the Hermosa Creek Wilder-
11 ness Area, Watershed Protection Area, and Special
12 Management Area would protect those areas in per-
13 petuity for the benefit of the people of the United
14 States.
