3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Clean and Fair Elec-

6 **SEC. 2. SENSE OF THE SENATE.**

7 It is the sense of the Senate that Congress should—

8 (1) recognize that—

1 (A) our elections belong to the voters of
2 the United States; and

3 (B) our systems of election administration
4 and campaign finance should be structured in a
5 way that prioritizes the interests of the Amer-
6 ican public first;

7 (2) pass legislation to bring greater trans-
8 parency to our elections and end anonymous political
9 spending by shadow groups and special interests;

10 (3) require greater disclosure of campaign con-
11 tributions in a searchable, public online database;

12 (4) take steps to safeguard the right to vote for
13 every eligible voter, including prohibiting deceptive
14 and misleading efforts to prevent voters from exer-
15 cising the franchise;

16 (5) improve access to the polls for every eligible
17 voter by streamlining voting procedures;

18 (6) pass election reform legislation that includes
19 expanded absentee voting, mandatory early voting
20 periods, and voter registration reforms;

21 (7) support local election officials to ensure they
22 have working voting systems that are accessible, se-
23 cure, and easy to use;

24 (8) require States to develop plans to reduce
25 lines at polling places and develop contingency plans

1 that provide additional flexibility in the event of a
2 natural disaster or other emergency situation; and
3 (9) ensure that the guarantees of the 14th and
4 15th amendments to the Constitution and the Vot-
5 ing Rights Act of 1965 are enforced so that all
6 Americans are able to vote and have their votes
7 count without discrimination.
