1ST SESSION

S. RES. 262

Supporting the goals and ideals of suicide prevention awareness.

IN THE SENATE OF THE UNITED STATES

SEPTEMBER 26, 2013

Mr. DONNELLY (for himself, Mr. ISAKSON, Mr. BEGICH, Mr. BOOZMAN, Mr. CHAMBLISS, Ms. HIRONO, and Mr. TESTER) submitted the following resolution; which was considered and agreed to

RESOLUTION

Supporting the goals and ideals of suicide prevention
awareness.

Whereas suicide is the tenth leading cause of all deaths in the United States and the second leading cause of death among individuals between the ages of 10 and 34;

Whereas, on average, there is a death by suicide in the United States every 13.7 minutes;

Whereas an estimated 6,000,000 individuals in the United States are survivors of suicide, meaning they have lost a loved one to suicide;

Whereas suicide is a leading noncombat cause of death among members of the Armed Forces;

Whereas, on average, 22 veterans are lost to suicide in the United States each day;

Whereas the Joshua Omvig Veterans Suicide Prevention Act (Public Law 110–110; 121 Stat. 1031) was enacted in 2007 to establish a comprehensive program for suicide prevention among veterans;

Whereas the Veterans Crisis Line, which was established under the Joshua Omvig Veteran Suicide Prevention Act, has received more than 890,000 telephone calls and facilitated more than 30,000 life-saving rescues;

Whereas the stigma associated with mental illness and suicidality works against suicide prevention by discouraging individuals at risk of suicide from seeking life-saving help and further traumatizes survivors of suicide;

Whereas 90 percent of the individuals who die by suicide have a diagnosable psychiatric disorder at the time of death;

Whereas many suicides are preventable; and

Whereas September is National Suicide Prevention Awareness Month: Now, therefore, be it
