## RESOLUTION

Expressing support for the victims of the typhoon in the Philippines and the surrounding region.

Whereas on November 8, 2013, Typhoon Yolanda, also known as Typhoon Haiyan, struck the Republic of the Philippines and the surrounding region;

Whereas Typhoon Yolanda is the strongest typhoon in recorded history to make landfall;

Whereas President Benigno Aquino III declared a state of national calamity after Typhoon Yolanda hit the central Philippines;

Whereas the typhoon caused widespread flooding and landslides, particularly in the provinces of Eastern Samar and Leyte, which experienced storm surges of up to 13 feet and sustained winds of more than 175 miles per hour;

Whereas authorities in the Philippines have confirmed at least 1,798 deaths, a toll that is expected to rise as thousands of individuals remain missing as of the date of this resolution;

Whereas unofficial estimates project the number of deaths to be over 10,000;

Whereas, according to the United Nations Office for the Coordination of Humanitarian Affairs, more than 670,000 people have been displaced and 11,300,000 people have been affected by Typhoon Yolanda;

Whereas, according to the Philippine National Disaster Risk Reduction and Management Council, the typhoon destroyed or damaged approximately 149,015 houses, as well as public infrastructure and agricultural land across 41 provinces;

Whereas, in Ormoc City, the second largest city in the province of Leyte, the typhoon damaged or destroyed approximately 80 to 90 percent of housing;

Whereas the United Nations World Food Program estimates that 2,500,000 people will need food assistance in the aftermath of the typhoon;

Whereas the Government of the Philippines has been leading and coordinating the disaster response in the Philippines, including the evacuation of more than 792,000 people to

temporary shelters and pre-positioning food commodities and emergency relief supplies in advance of the typhoon, and deploying military assets and road-clearing equipment to assist with relief operations;

Whereas the response by the United States Government to this tragedy has included \$20,000,000 in aid;

Whereas a United States Agency for International Development Disaster Assistance Response Team, elements of the 3<sup>rd</sup> Marine Expeditionary Brigade, and other United States military and civilian personnel have deployed to the Philippines to provide aid and coordinate United States relief efforts;

Whereas the Philippines and the United States fought side-by-side during World War II to defend the Bataan Peninsula and subsequently liberate the Philippines from Japanese control;

Whereas the Philippines and the United States share a long, close relationship as allies, as evidenced by the 1951 U.S.-Philippines Mutual Defense Treaty, which was reaffirmed by the Manila Declaration signed in 2011, and the United States designation of the Philippines as a Major Non-NATO Ally;

Whereas the Philippines and the United States share strong economic, security, and people-to-people ties, including approximately 4,000,000 Americans of Philippine ancestry living in the United States, and more than 300,000 United States citizens residing in the Philippines; and

Whereas the Philippines and the United States share a long tradition of mutual support and cooperation: Now, therefore, be it
