

113TH CONGRESS  
2D SESSION

# S. RES. 425

Expressing support for the goals and ideals of “National Donate Life Month”.

---

IN THE SENATE OF THE UNITED STATES

APRIL 29, 2014

Mr. CASEY submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions

---

## RESOLUTION

Expressing support for the goals and ideals of “National Donate Life Month”.

Whereas in March 2014, over 118,800 individuals were on the official waiting list for organ donation managed by the Organ Procurement and Transplantation Network;

Whereas in 2013, 31,422 organs from 14,257 donors (including both living and deceased donors) were transplanted into 28,952 patients, yet 6,123 candidates for transplantation died while waiting for an organ transplant;

Whereas on average, 18 people die every day of every year while waiting for an organ donation;

Whereas over 100,000,000 people in the United States are registered to be organ and tissue donors, yet the demand for donated organs still outweighs the supply of organs made available each day;

Whereas many people do not know about their options for organ and tissue donation, or have not made their wishes clear to their families;

Whereas organ and tissue donation can give meaning to the tragic loss of a loved one by enabling up to 8 people to receive the gift of life from a single deceased donor;

Whereas living donors can donate a kidney or a portion of a lung or liver to save the life of another individual; and

Whereas April is traditionally recognized as “National Donate Life Month”: Now, therefore, be it

1       *Resolved*, That the Senate—

2              (1) supports the goals and ideals of “National  
3              Donate Life Month”;

4              (2) supports promoting awareness of organ do-  
5              nation;

6              (3) encourages States, localities, and the terri-  
7              tories and possessions of the United States to sup-  
8              port the goals and ideals of National Donate Life  
9              Month by issuing proclamations designating April  
10             2014 as National Donate Life Month;

11             (4) commends the generous gift of life provided  
12             by individuals who indicate their wish to become  
13             organ donors;

14             (5) acknowledges the grief of families facing the  
15             loss of a loved one and commends those families  
16             who, in their grief, choose to donate the organs of  
17             their deceased family member;

1                   (6) recognizes the generous contribution made  
2       by each living individual who has donated an organ  
3       to save a life;

4                   (7) acknowledges the advances in medical tech-  
5       nology that have enabled organ transplantation with  
6       organs donated by living individuals to become a via-  
7       ble treatment option for an increasing number of pa-  
8       tients;

9                   (8) commends the medical professionals and  
10      organ transplantation experts who have worked to  
11      improve the process of living organ donation and in-  
12      crease the number of living donors; and

13                  (9) salutes all individuals who have helped to  
14      give the gift of life by supporting, promoting, and  
15      encouraging organ donation.
