

113TH CONGRESS
2D SESSION

S. RES. 587

Encouraging reunions of Korean Americans who were divided by the Korean War from their relatives in North Korea.

IN THE SENATE OF THE UNITED STATES

NOVEMBER 20, 2014

Mr. KIRK (for himself and Mr. WARNER) submitted the following resolution;
which was referred to the Committee on Foreign Relations

RESOLUTION

Encouraging reunions of Korean Americans who were divided by the Korean War from their relatives in North Korea.

Whereas the division of the Korean Peninsula into the Republic of Korea (referred to in this Resolution as “South Korea”) and the Democratic People’s Republic of Korea (referred to in this Resolution as “North Korea”) separated more than 10,000,000 Koreans from their family members;

Whereas since the signing of the Korean War armistice agreement on July 27, 1953, there has been little to no contact between Korean Americans and their family members who remain in North Korea;

Whereas North and South Korea first agreed to divided family reunions in 1985 and have since held 19 face-to-face reunions and 7 video-link reunions;

Whereas the aforementioned reunions have subsequently given approximately 22,000 Koreans the opportunity to briefly reunite with their loved ones;

Whereas the most recent family reunions between North Korea and South Korea took place in February 2014 after a suspension of more than 3 years;

Whereas the United States and North Korea do not maintain diplomatic relations, and certain limitations exist for Korean Americans to participate in inter-Korean family reunions;

Whereas more than 1,700,000 Americans are of Korean descent;

Whereas the number of first generation Korean and Korean American divided family members is rapidly diminishing given their advanced age;

Whereas many Korean Americans with family members in North Korea have not seen or communicated with their relatives in more than 60 years;

Whereas Korean Americans and North Koreans both continue to suffer from the tragedy of being divided from their loved ones;

Whereas the inclusion of Korean American families in the reunion process would constitute a positive humanitarian gesture by North Korea and contribute to the long-term goal of peace on the Korean Peninsula shared by the Governments of North Korea, of South Korea, and of the United States;

Whereas the National Defense Authorization Act for Fiscal Year 2008 (Public Law 110–181) requires the President to submit a report to Congress every 180 days on “efforts, if any, of the United States Government to facili-

tate family reunions between United States citizens and their relatives in North Korea”; and

Whereas in the Continuing Appropriations Act of 2011 (Public Law 111–242), Congress urged “the Special Representative on North Korea Policy, as the senior official handling North Korea issues, to prioritize the issues involving Korean divided families and, if necessary, to appoint a coordinator for such families”: Now, therefore, be it

1 *Resolved*, That the Senate—

2 (1) recognizes the significance of North Korea’s
3 past willingness to resume reunions of divided family
4 members between North Korea and South Korea;

5 (2) acknowledges North Korea’s release in No-
6 vember 2014 of incarcerated American citizens Ken-
7 neth Bae and Matthew Miller;

8 (3) encourages North Korea to permit reunions
9 between Korean Americans and their relatives still
10 living in North Korea;

11 (4) calls on the Department of State to further
12 prioritize efforts to reunite Korean Americans with
13 their divided family members;

14 (5) acknowledges the efforts of the American
15 Red Cross to open channels of communication be-
16 tween Korean Americans and their family members
17 who remain in North Korea;

1 (6) encourages the Government of South Korea
2 to include United States citizens in future family re-
3 unions planned with North Korea; and

4 (7) praises humanitarian efforts to reunite all
5 individuals of Korean descent with their relatives
6 and engender a lasting peace on the Korean Penin-
7 sula.
