

114TH CONGRESS
1ST SESSION

H. R. 1066

To amend the Federal Food, Drug, and Cosmetic Act to promote the use of adaptive trial designs, Bayesian methods, and other innovative statistical methods in clinical protocols for drugs, biological products, and devices, and with respect to the requirement to conduct postapproval studies and clinical trials, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 25, 2015

Mr. COLLINS of New York (for himself and Mr. POMPEO) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend the Federal Food, Drug, and Cosmetic Act to promote the use of adaptive trial designs, Bayesian methods, and other innovative statistical methods in clinical protocols for drugs, biological products, and devices, and with respect to the requirement to conduct postapproval studies and clinical trials, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Clinical Trials Mod-
5 ernization Act of 2015”.

1 **SEC. 2. CLINICAL TRIAL MODERNIZATION.**

2 (a) PROPOSALS FOR USE OF INNOVATIVE STATIS-
3 TICAL METHODS IN CLINICAL PROTOCOLS FOR DRUGS,
4 BIOLOGICAL PRODUCTS, AND DEVICES.—Chapter V of
5 the Federal Food, Drug, and Cosmetic Act is amended
6 by inserting after section 506F (21 U.S.C. 356f) the fol-
7 lowing new section:

8 **“SEC. 507. CLINICAL TRIAL MODERNIZATION.**

9 “(a) IN GENERAL.—To promote the efficiency of the
10 development and regulatory review and approval, licen-
11 sure, or clearance of drugs, biological products, and de-
12 vices and the timely availability of innovative treatments,
13 the Secretary shall, after providing notice and an oppor-
14 tunity for public comment, establish and implement a
15 framework through which—

16 “(1) sponsors of drugs, biological products, or
17 devices may submit to the Secretary a proposal for
18 the incorporation of adaptive trial designs, Bayesian
19 methods, or other alternative statistical methods into
20 proposed clinical protocols and marketing applica-
21 tions for drugs, biological products, or devices; and

22 “(2) the Secretary will commit to timelines for
23 reviewing and providing feedback on proposals so
24 submitted.”.

25 (b) GUIDANCE ADDRESSING USE OF ADAPTIVE
26 TRIAL DESIGNS AND BAYESIAN METHODS.—

(1) IN GENERAL.—The Secretary of Health and Human Services, acting through the Commissioner of Food and Drugs (in this subsection referred to as the “Secretary”), shall—

(A) update and finalize the draft guidance addressing the use of adaptive trial design for drugs and biological products; and

(B) issue draft guidance on the use of Bayesian methods in the development and regulatory review and approval, licensure, or clearance of drugs, biological products, and devices.

(2) CONTENTS.—The guidances under paragraph (1) shall—

(A) establish or clarify standards for using adaptive trial designs and Bayesian methods in clinical trials, including clinical trials that form the primary basis for approval, clearance, or licensure of the products involved (such as trials that provide substantial evidence for the approval of drugs);

(B) establish a mechanism for sponsors to obtain feedback from the Secretary under section 507, as added by subsection (a), on technical issues related to modeling and simulations prior to—

1 (i) completion of such modeling or
2 simulations; or

3 (ii) the submission of resulting infor-
4 mation to the Secretary;

5 (C) specify the types of quantitative and
6 qualitative information required for review; and

7 (D) specify the recommended analysis
8 methodology.

9 (3) PUBLIC MEETING.—Prior to updating or
10 developing the guidances required by paragraph (1),
11 the Secretary shall consult, through a public meeting
12 to be held no later than 1 year after the date of en-
13 actment of this Act, with stakeholders including rep-
14 resentatives of regulated industry, academia, patient
15 advocacy organizations, and disease research founda-
16 tions.

17 (4) SCHEDULE.—The Secretary shall, after pro-
18 viding notice and opportunity for public comment,
19 publish—

20 (A) the final guidance required by para-
21 graph (1)(A) not later than 6 months after the
22 date of the public meeting required by para-
23 graph (3); and

24 (B) the guidance required by paragraph
25 (1)(B) not later than 12 months after the date

1 of the public meeting required by paragraph
2 (3).

3 (5) REVIEW AND REVISION OF GUIDANCE DOC-
4 UMENTS.—Not later than 48 months after the date
5 of enactment of this Act, the Secretary shall review
6 and, as appropriate, revise the guidance documents
7 required by subparagraphs (A) and (B) of para-
8 graph (1) to reflect developments in statistical meth-
9 ods that could be appropriate for use in clinical
10 trials, including clinical trials that—

11 (A) form the primary basis for approval,
12 clearance, or licensure of drugs, biological prod-
13 ucts or devices; or

14 (B) provide substantial evidence for the
15 approval of drugs.

16 **SEC. 3. EVALUATIONS OF REQUIRED POSTAPPROVAL STUD-**
17 **IES AND CLINICAL TRIALS.**

18 (a) IN GENERAL.—Section 505(o)(3) of the Federal
19 Food, Drug, and Cosmetic Act (21 U.S.C. 355(o)(3)) is
20 amended by adding at the end the following new subpara-
21 graph:

22 “(G) EVALUATIONS OF REQUIRED POST-
23 APPROVAL STUDIES AND CLINICAL TRIALS.—

24 “(i) IN GENERAL.—The Secretary
25 shall establish a process under which the

1 Secretary, on the initiative of the Secretary
2 or at the request of a responsible person,
3 shall periodically evaluate a postapproval
4 study or clinical trial required to be con-
5 ducted under this paragraph to determine
6 whether—

7 “(I) the trial or study is no
8 longer scientifically warranted; or

9 “(II) the design, or the timelines
10 applicable to the completion of, the
11 study or trial should be renegotiated
12 because of changes in medical practice
13 or the standard of care.

14 “(ii) NOT SCIENTIFICALLY WAR-
15 RANTED.—In the case of a determination
16 under clause (i)(I) that a postapproval
17 study or clinical trial required to be con-
18 ducted under this paragraph is no longer
19 scientifically warranted, the Secretary shall
20 no longer require the responsible person to
21 conduct the study or trial.

22 “(iii) RENEGOTIATION.—In the case
23 of a determination under clause (i)(II) that
24 the design, or the timelines applicable to
25 the completion of, a postapproval study or

1 clinical trial required to be conducted
2 under this paragraph should be renegoti-
3 ated, the Secretary shall enter into nego-
4 tiations with the responsible person to
5 make such changes as may be necessary to
6 such design or timelines as the Secretary
7 determines are necessary.”.

8 (b) GUIDANCE.—Not later than one year after the
9 date of the enactment of this Act, the Secretary shall issue
10 draft guidance on the implementation of subparagraph
11 (G) of section 505(o)(3) of the Federal Food, Drug, and
12 Cosmetic Act (21 U.S.C. 355(o)(3)), as added by sub-
13 section (a). Not later than two years after such date of
14 enactment, the Secretary shall issue final guidance on
15 such implementation.

○
