6           “(5) REGULATORY REQUIREMENTS.—Such

11          “(b) ABILITY OF ASSOCIATION HEALTH PLANS TO  
12          DESIGN BENEFIT OPTIONS.—Subject to section 514(d),  
13          nothing in this part or any provision of State law (as de-  
14          fined in section 514(c)(1)) shall be construed to preclude  
15          an association health plan, or a health insurance issuer  
16          offering health insurance coverage in connection with an  
17          association health plan, from exercising its sole discretion  
18          in selecting the specific items and services consisting of  
19          medical care to be included as benefits under such plan  
20          or coverage, except (subject to section 514) in the case  
21          of (1) any law to the extent that it is not preempted under  
22          section 731(a)(1) with respect to matters governed by sec-  
23          tion 711, 712, or 713, (2) any law of the State with which  
24          filing and approval of a policy type offered by the plan  
25          was initially obtained to the extent that such law prohibits

3 Health Care Reform Act of 2015.

4 **“SEC. 806. MAINTENANCE OF RESERVES AND PROVISIONS**  
5 **FOR SOLVENCY FOR PLANS PROVIDING**  
6 **HEALTH BENEFITS IN ADDITION TO HEALTH**  
7 **INSURANCE COVERAGE.**

8 “(a) IN GENERAL.—The requirements of this section  
9 are met with respect to an association health plan if—

10 “(1) the benefits under the plan consist solely  
11 of health insurance coverage; or

12 “(2) if the plan provides any additional benefit  
13 options which do not consist of health insurance cov-  
14 erage, the plan—

15 “(A) establishes and maintains reserves  
16 with respect to such additional benefit options,  
17 in amounts recommended by the qualified actu-  
18 ary, consisting of—

19 “(i) a reserve sufficient for unearned  
20 contributions;

21 “(ii) a reserve sufficient for benefit li-  
22 abilities which have been incurred, which  
23 have not been satisfied, and for which risk  
24 of loss has not yet been transferred, and

1 for expected administrative costs with re-  
2 spect to such benefit liabilities;

3 “(iii) a reserve sufficient for any other  
4 obligations of the plan; and

5 “(iv) a reserve sufficient for a margin  
6 of error and other fluctuations, taking into  
7 account the specific circumstances of the  
8 plan; and

9 “(B) establishes and maintains aggregate  
10 and specific excess/stop loss insurance and sol-  
11 vency indemnification, with respect to such ad-  
12 ditional benefit options for which risk of loss  
13 has not yet been transferred, as follows:

14 “(i) The plan shall secure aggregate  
15 excess/stop loss insurance for the plan with  
16 an attachment point which is not greater  
17 than 125 percent of expected gross annual  
18 claims. The applicable authority may by  
19 regulation provide for upward adjustments  
20 in the amount of such percentage in speci-  
21 fied circumstances in which the plan spe-  
22 cifically provides for and maintains re-  
23 serves in excess of the amounts required  
24 under subparagraph (A).

1                   “(ii) The plan shall secure specific ex-  
2                   cess/stop loss insurance for the plan with  
3                   an attachment point which is at least equal  
4                   to an amount recommended by the plan’s  
5                   qualified actuary. The applicable authority  
6                   may by regulation provide for adjustments  
7                   in the amount of such insurance in speci-  
8                   fied circumstances in which the plan spe-  
9                   cifically provides for and maintains re-  
10                  serves in excess of the amounts required  
11                  under subparagraph (A).

12                  “(iii) The plan shall secure indem-  
13                  nification insurance for any claims which  
14                  the plan is unable to satisfy by reason of  
15                  a plan termination.

16 Any person issuing to a plan insurance described in clause  
17 (i), (ii), or (iii) of subparagraph (B) shall notify the Sec-  
18 retary of any failure of premium payment meriting can-  
19 cellation of the policy prior to undertaking such a cancella-  
20 tion. Any regulations prescribed by the applicable author-  
21 ity pursuant to clause (i) or (ii) of subparagraph (B) may  
22 allow for such adjustments in the required levels of excess/  
23 stop loss insurance as the qualified actuary may rec-  
24 ommend, taking into account the specific circumstances  
25 of the plan.

1       “(b) MINIMUM SURPLUS IN ADDITION TO CLAIMS  
2 RESERVES.—In the case of any association health plan de-  
3 scribed in subsection (a)(2), the requirements of this sub-  
4 section are met if the plan establishes and maintains sur-  
5 plus in an amount at least equal to—

6               “(1) \$500,000, or

7               “(2) such greater amount (but not greater than  
8 \$2,000,000) as may be set forth in regulations pre-  
9 scribed by the applicable authority, considering the  
10 level of aggregate and specific excess/stop loss insur-  
11 ance provided with respect to such plan and other  
12 factors related to solvency risk, such as the plan’s  
13 projected levels of participation or claims, the nature  
14 of the plan’s liabilities, and the types of assets avail-  
15 able to assure that such liabilities are met.

16       “(c) ADDITIONAL REQUIREMENTS.—In the case of  
17 any association health plan described in subsection (a)(2),  
18 the applicable authority may provide such additional re-  
19 quirements relating to reserves, excess/stop loss insurance,  
20 and indemnification insurance as the applicable authority  
21 considers appropriate. Such requirements may be provided  
22 by regulation with respect to any such plan or any class  
23 of such plans.

24       “(d) ADJUSTMENTS FOR EXCESS/STOP LOSS INSUR-  
25 ANCE.—The applicable authority may provide for adjust-

1 ments to the levels of reserves otherwise required under  
2 subsections (a) and (b) with respect to any plan or class  
3 of plans to take into account excess/stop loss insurance  
4 provided with respect to such plan or plans.

5 “(e) ALTERNATIVE MEANS OF COMPLIANCE.—The  
6 applicable authority may permit an association health plan  
7 described in subsection (a)(2) to substitute, for all or part  
8 of the requirements of this section (except subsection  
9 (a)(2)(B)(iii)), such security, guarantee, hold-harmless ar-  
10 rangement, or other financial arrangement as the applica-  
11 ble authority determines to be adequate to enable the plan  
12 to fully meet all its financial obligations on a timely basis  
13 and is otherwise no less protective of the interests of par-  
14 ticipants and beneficiaries than the requirements for  
15 which it is substituted. The applicable authority may take  
16 into account, for purposes of this subsection, evidence pro-  
17 vided by the plan or sponsor which demonstrates an as-  
18 sumption of liability with respect to the plan. Such evi-  
19 dence may be in the form of a contract of indemnification,  
20 lien, bonding, insurance, letter of credit, recourse under  
21 applicable terms of the plan in the form of assessments  
22 of participating employers, security, or other financial ar-  
23 rangement.

24 “(f) MEASURES TO ENSURE CONTINUED PAYMENT  
25 OF BENEFITS BY CERTAIN PLANS IN DISTRESS.—

1           “(1) PAYMENTS BY CERTAIN PLANS TO ASSO-  
2           CIATION HEALTH PLAN FUND.—

3           “(A) IN GENERAL.—In the case of an as-  
4           sociation health plan described in subsection  
5           (a)(2), the requirements of this subsection are  
6           met if the plan makes payments into the Asso-  
7           ciation Health Plan Fund under this subpara-  
8           graph when they are due. Such payments shall  
9           consist of annual payments in the amount of  
10          \$5,000, and, in addition to such annual pay-  
11          ments, such supplemental payments as the Sec-  
12          retary may determine to be necessary under  
13          paragraph (2). Payments under this paragraph  
14          are payable to the Fund at the time determined  
15          by the Secretary. Initial payments are due in  
16          advance of certification under this part. Pay-  
17          ments shall continue to accrue until a plan’s as-  
18          sets are distributed pursuant to a termination  
19          procedure.

20          “(B) PENALTIES FOR FAILURE TO MAKE  
21          PAYMENTS.—If any payment is not made by a  
22          plan when it is due, a late payment charge of  
23          not more than 100 percent of the payment  
24          which was not timely paid shall be payable by  
25          the plan to the Fund.

1           “(C) CONTINUED DUTY OF THE SEC-  
2           RETARY.—The Secretary shall not cease to  
3           carry out the provisions of paragraph (2) on ac-  
4           count of the failure of a plan to pay any pay-  
5           ment when due.

6           “(2) PAYMENTS BY SECRETARY TO CONTINUE  
7           EXCESS/STOP LOSS INSURANCE COVERAGE AND IN-  
8           DEMNIFICATION INSURANCE COVERAGE FOR CER-  
9           TAIN PLANS.—In any case in which the applicable  
10          authority determines that there is, or that there is  
11          reason to believe that there will be: (A) a failure to  
12          take necessary corrective actions under section  
13          809(a) with respect to an association health plan de-  
14          scribed in subsection (a)(2); or (B) a termination of  
15          such a plan under section 809(b) or 810(b)(8) (and,  
16          if the applicable authority is not the Secretary, cer-  
17          tifies such determination to the Secretary), the Sec-  
18          retary shall determine the amounts necessary to  
19          make payments to an insurer (designated by the  
20          Secretary) to maintain in force excess/stop loss in-  
21          surance coverage or indemnification insurance cov-  
22          erage for such plan, if the Secretary determines that  
23          there is a reasonable expectation that, without such  
24          payments, claims would not be satisfied by reason of  
25          termination of such coverage. The Secretary shall, to

1 the extent provided in advance in appropriation  
2 Acts, pay such amounts so determined to the insurer  
3 designated by the Secretary.

4 “(3) ASSOCIATION HEALTH PLAN FUND.—

5 “(A) IN GENERAL.—There is established  
6 on the books of the Treasury a fund to be  
7 known as the ‘Association Health Plan Fund’.  
8 The Fund shall be available for making pay-  
9 ments pursuant to paragraph (2). The Fund  
10 shall be credited with payments received pursu-  
11 ant to paragraph (1)(A), penalties received pur-  
12 suant to paragraph (1)(B); and earnings on in-  
13 vestments of amounts of the Fund under sub-  
14 paragraph (B).

15 “(B) INVESTMENT.—Whenever the Sec-  
16 retary determines that the moneys of the fund  
17 are in excess of current needs, the Secretary  
18 may request the investment of such amounts as  
19 the Secretary determines advisable by the Sec-  
20 retary of the Treasury in obligations issued or  
21 guaranteed by the United States.

7               claims under the plan in excess of an amount  
8               or amounts specified in such contract;

9               “(B) which is guaranteed renewable; and

20              ment to the plan with respect to claims under  
21              the plan in connection with a covered individual  
22              in excess of an amount or amounts specified in

11          plan with respect to claims under the plan which the  
12          plan is unable to satisfy by reason of a termination  
13          pursuant to section 809(b) (relating to mandatory  
14          termination);

15          “(2) which is guaranteed renewable and  
16          noncancellable for any reason (except as the applica-  
17          ble authority may prescribe by regulation); and

23 provider, or health care organization alleges, in response  
24 to a filing of the claimant, that the applicable eligible pro-  
25 fessional, health care provider, or health care organization  
26 adhered to an applicable clinical practice guideline in the

1 provision of health care goods or services to the claimant,  
2 then the court shall suspend further proceedings on the  
3 health care liability action prior to discovery proceedings,  
4 until the completion of a review of the action by an inde-  
5 pendent medical review panel.

6 (b) INDEPENDENT MEDICAL REVIEW PANEL.—

7 (1) COMPOSITION.—An independent medical re-  
8 view panel under this section shall be composed of

12 opinion made, within the scope of his or her duties  
13 as a member of the independent medical review  
14 panel.

15 (4) CONSIDERATIONS IN MAKING DETERMINA-  
16 TIONS.—The members of the independent medical

20 tice guidelines in the care of individual patients.

21 (5) SELECTION OF MEMBERS.—Each member  
22 of the independent medical review panel shall be  
23 jointly selected by the parties. A member whose se-

13 independent medical review panel that is charged  
14 with the responsibility of making a preliminary find-  
15 ing as to liability of the defendant applicable eligible  
16 professional shall deem the prescribed clinical prac-  
17 tice guidelines as the standard of conduct, care, and  
18 skill expected of members of the medical profession  
19 engaged in the defendant's field of practice under  
20 the same or similar circumstances, subject to the  
21 provisions of subsection (b)(4).

22 (2) RECORD FOR REVIEW.—The independent  
23 medical review panel shall make a preliminary find-  
24 ing based solely upon the pre-discovery evidence sub-  
25 mitted to it pursuant to Rule 26 of the Federal

1 Rules of Civil Procedure, any medical records that  
2 would be discoverable if the lawsuit advances to  
3 trial, and the applicable prescribed clinical practice  
4 guidelines.

5 (3) LIMITATION.—The independent medical re-  
6 view panel shall not make a finding of negligence  
7 from the mere fact that a treatment or procedure  
8 was unsuccessful or failed to bring the best result,  
9 or that the patient died.

10 (4) USE AT TRIAL OF WORK PRODUCT OF RE-  
11 VIEW PANEL.—No preliminary finding by the inde-  
12 pendent medical review panel that the defendant ap-  
13 plicable eligible professional breached the standard  
14 of care as set forth under the prescribed clinical  
15 practice guidelines shall constitute negligence per se  
16 or conclusive evidence of liability, but findings, opin-  
17 ions, and conclusions of the review panel shall be ad-  
18 missible as evidence in any and all subsequent pro-  
19 ceedings before the court, including for purposes of  
20 motions for summary judgment and at trial.

21 (d) RESULTS OF REVIEW.—

22 (1) IN GENERAL.—Not later than 60 days after  
23 all members of the independent medical review panel  
24 have been selected, the panel shall complete a review

1 of the record of the liability action and shall make  
2 a finding under this subsection.

3 (2) FINDING DESCRIBED.—A finding under this  
4 subsection shall include the following:

5 (A) A determination of whether there are  
6 any applicable clinical practice guidelines to the  
7 health care liability action that substantively  
8 pertains to the injury suffered by the claimant.

9 (B) Whether the applicable eligible profes-  
10 sional has alleged adherence to any such guide-  
11 line.

12 (C) Whether the applicable eligible profes-  
13 sional adhered to any such guideline.

14 (D) Whether there is a reasonable prob-  
15 ability that—

16 (i) the applicable eligible professional  
17 violated the applicable clinical practice  
18 guideline;

19 (ii) that violation proximately caused  
20 the claimant's alleged injury; and

21 (iii) the claimant suffered damages as  
22 a result of the injury.

23 (3) USE AT TRIAL.—The finding under this  
24 subsection may be received into evidence by the  
25 court. If the independent medical review panel made

1 any finding under paragraph (2)(D) that there was  
2 no reasonable probability of the matters described in  
3 clauses (i) through (iii), the court may issue a sum-  
4 mary judgment in favor of the applicable eligible  
5 professional unless the claimant is able to show oth-  
6 erwise by clear and convincing evidence. If the panel  
7 made a finding under subparagraphs (A) through  
8 (C) of paragraph (2) that there was an applicable  
9 clinical practice guideline that the defendant adhered  
10 to, the court shall issue summary judgment in favor  
11 of the applicable eligible professional unless the  
12 claimant is able to show otherwise by clear and con-  
13 vincing evidence. Any preliminary finding that the  
14 defendant applicable eligible professional did not  
15 breach the standard of care as set forth under the  
16 prescribed medical practice guidelines or that the de-  
17 fendant applicable eligible professional's nonadher-  
18 ence to the applicable standard was neither the  
19 cause in fact nor the proximate cause of the plain-  
20 tiff's injury or that the plaintiff did not incur any  
21 damages as a result shall be given deference by the  
22 court and shall entitle the defendant applicable eligi-  
23 ble professional to summary judgment unless the  
24 plaintiff is able to show by clear and convincing evi-  
25 dence that the independent medical review panel was

1 in error and that there is a genuine issue as to a  
2 material fact in the case.
