

114TH CONGRESS  
1ST SESSION

# H. R. 3893

To amend the Agricultural Research, Extension, and Education Reform Act of 1998 with respect to grants for certain areawide integrated pest management projects, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 3, 2015

Ms. GABBARD (for herself, Ms. PINGREE, Mr. GARAMENDI, Mr. MCNERNEY, and Mr. PIERLUISI) introduced the following bill; which was referred to the Committee on Agriculture

---

## A BILL

To amend the Agricultural Research, Extension, and Education Reform Act of 1998 with respect to grants for certain areawide integrated pest management projects, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Areawide Integrated  
5 Pest Management Act of 2015” or the “AIPM Act of  
6 2015”.

1 **SEC. 2. QUALIFIED AREAWIDE INTEGRATED PEST MANAGE-**  
2 **MENT PROJECTS.**

3 (a) QUALIFIED AREAWIDE INTEGRATED PEST MAN-  
4 AGEMENT PROJECTS.—Section 406 of the Agricultural  
5 Research, Extension, and Education Reform Act of 1998  
6 (7 U.S.C. 7626) is amended—

7 (1) in subsection (a)—

8 (A) by inserting “, acting through the Di-  
9 rector of the National Institute of Food and  
10 Agriculture,” after “Secretary of Agriculture”;  
11 and

12 (B) by inserting “and qualified areawide  
13 integrated pest management projects” before  
14 the period at the end;

15 (2) in subsection (b)—

16 (A) by inserting “, acting through the Di-  
17 rector of the National Institute of Food and  
18 Agriculture,” after “Secretary”; and

19 (B) by inserting “and qualified areawide  
20 integrated pest management projects” after  
21 “extension projects”;

22 (3) in subsection (d), by adding at the end the  
23 following new sentence: “With respect to a grant  
24 under this section providing funding for a qualified  
25 areawide integrated pest management project, the  
26 Secretary may renew such grant for an additional

1 term of a duration to be determined by the Sec-  
2 retary.”;

3 (4) by redesignating subsection (e) as sub-  
4 section (h); and

5 (5) by inserting after subsection (d) the fol-  
6 lowing new subsections:

7 “(e) GRANTS PROVIDING FUNDING FOR QUALIFIED  
8 AREAWIDE PEST MANAGEMENT PROJECTS.—

9 “(1) IN GENERAL.—An entity seeking a grant  
10 under this section providing funding for a qualified  
11 areawide integrated pest management project shall  
12 submit to the Secretary an application at such time  
13 and in such manner and that contains such informa-  
14 tion as the Secretary may require, including detailed  
15 information on—

16 “(A) the goals of the project;

17 “(B) any individuals or entities involved in  
18 the project;

19 “(C) the projected benefits of the project;

20 “(D) details of the membership of the com-  
21 mittee described in subsection (f)(2);

22 “(E) how the project may be continued  
23 after grant funds are no longer available for  
24 such project; and

1           “(F) an analysis of the return on invest-  
2           ment for the grant funds awarded to fund the  
3           project.

4           “(2) REQUESTS FOR APPLICATIONS.—

5           “(A) DEVELOPMENT OF REQUESTS FOR  
6           APPLICATIONS.—The Secretary shall, in con-  
7           sultation with the integrated pest management  
8           committee established under section 1408C and  
9           other relevant stakeholders, develop requests for  
10          applications for qualified areawide integrated  
11          pest management projects that are consistent  
12          with the priorities established by such com-  
13          mittee under such section.

14          “(B) ISSUANCE.—The Secretary shall so-  
15          licit proposals for qualified areawide integrated  
16          pest management projects under this section by  
17          issuing requests for applications on an annual  
18          basis. The Secretary may not select new  
19          projects to receive funding through a grant  
20          under this section if, on the date on which the  
21          request is issued, there is not sufficient funding  
22          available to fund projects that, as of such date,  
23          are not complete and with respect to which  
24          grants were awarded under this section for the  
25          previous year.

1 “(3) SELECTION.—

2 “(A) IN GENERAL.—The Secretary shall,  
3 using a peer-review process, select qualified  
4 areawide integrated pest management projects  
5 to receive funding through a grant under this  
6 section.

7 “(B) LEAD ENTITY.—In selecting projects  
8 under subparagraph (A), the Secretary shall  
9 designate the college or university or other enti-  
10 ty referred to in subsection (b) submitting the  
11 application for such project as the lead entity  
12 for the project.

13 “(4) CONDITION.—As a condition of receiving a  
14 grant under this section providing funding for a  
15 qualified areawide integrated pest management  
16 project, the college or university or other entity re-  
17 ferred to in subsection (b) that is the recipient of  
18 the grant shall—

19 “(A) certify to the Secretary that the re-  
20 cipient will be carrying out the project in col-  
21 laboration with—

22 “(i) the Agricultural Research Service  
23 of the Department of Agriculture through  
24 a subcontractual arrangement; and

1                   “(ii) one or more of any of the fol-  
2                   lowing entities:

3                               “(I) A college or university.

4                               “(II) A State department of agri-  
5                               culture.

6                               “(III) Another Federal agency.

7                               “(IV) A State or a regional enti-  
8                               ty representing a crucial element of  
9                               the project, such as a State depart-  
10                              ment of natural resources.

11                              “(V) A nongovernmental organi-  
12                              zation;

13                              “(B) certify that the recipient will transfer  
14                              the appropriate amount of funds to all entities  
15                              involved in the project so that research, exten-  
16                              sion, and education activities carried out under  
17                              the project are funded as needed;

18                              “(C) in cooperation with the Secretary, co-  
19                              ordinate efforts conducted by all entities in-  
20                              volved in the project; and

21                              “(D) prepare and submit annual and final  
22                              reports to the Secretary with respect to the  
23                              project.

24                   “(f) QUALIFIED AREAWIDE INTEGRATED PEST MAN-  
25                   AGEMENT PROJECT DEFINED.—In this section:

1           “(1) The term ‘areawide integrated pest man-  
2           agement project’ means a project that is designed  
3           and implemented on a landscape scale or larger—

4                   “(A) to prevent the spread of pests and  
5                   invasive species through prevention, avoidance,  
6                   monitoring, and suppression;

7                   “(B) to provide educational programs on  
8                   best management practices with respect to pests  
9                   and invasive species;

10                  “(C) to control pests and invasive species  
11                  using physical, mechanical, or cultural controls;

12                  “(D) to manage pests and invasive species  
13                  using biologically-based controls; or

14                  “(E) where appropriate, to manage pests  
15                  using chemical controls, such as pesticides.

16           “(2) The term ‘qualified areawide integrated  
17           pest management project’ means an areawide inte-  
18           grated pest management project that—

19                   “(A) provides for significant benefits (as  
20                   determined by the Secretary) for the preven-  
21                   tion, eradication, or management of pests and  
22                   invasive species;

23                   “(B) provides for economic and environ-  
24                   mental benefits to agriculture, individuals, wild-  
25                   life, and the environment;

1           “(C) addresses the annual priorities estab-  
2           lished by the integrated pest management com-  
3           mittee established under section 1408C;

4           “(D) has a projected duration of not more  
5           than 5 years;

6           “(E) provides for the establishment of a  
7           regional advisory committee responsible for the  
8           oversight of the project in the community, re-  
9           gion, or area in which the project is to be car-  
10          ried out; and

11          “(F) provides for the active involvement of  
12          the cooperative extension services (as defined in  
13          section 1404 of the National Agricultural Re-  
14          search, Extension, and Teaching Policy Act of  
15          1977 (7 U.S.C. 3103)) to translate the results  
16          of the research conducted under the project into  
17          practical information and pest management  
18          tools for purposes of sharing such results with  
19          farmers, foresters, and producers.

20          “(g) ONGOING AREAWIDE INTEGRATED PEST MAN-  
21          AGEMENT PROJECTS.—The requirements of subsection (e)  
22          shall not apply with respect to a grant providing funding  
23          for integrated agricultural research, education, and exten-  
24          sion projects related to integrated pest management

1 awarded before the date of the enactment of the Areawide  
2 Integrated Pest Management Act of 2015.”.

3 (b) AREAWIDE INTEGRATED PEST MANAGEMENT  
4 COMMITTEE.—

5 (1) IN GENERAL.—The National Agricultural  
6 Research, Extension, and Teaching Policy Act of  
7 1977 is amended by inserting after section 1408B (7  
8 U.S.C. 3123B) the following new section:

9 **“SEC. 1408C. AREAWIDE INTEGRATED PEST MANAGEMENT**  
10 **COMMITTEE.**

11 “(a) ESTABLISHMENT.—Not later than 90 days after  
12 the date of the enactment of this section, the executive  
13 committee of the Advisory Board shall establish and ap-  
14 point the initial members of a permanent areawide inte-  
15 grated pest management committee.

16 “(b) DUTIES.—The permanent areawide integrated  
17 pest management committee shall, with respect to  
18 areawide integrated pest management programs, activi-  
19 ties, or projects carried out by the Secretary of Agri-  
20 culture—

21 “(1) consider stakeholder feedback; and

22 “(2) determine the annual and long-term prior-  
23 ities for such programs, activities, or projects.

24 “(c) MEMBERS.—

1           “(1) ELIGIBILITY.—Individuals who are not  
2 members of the Advisory Board may be appointed as  
3 members of the areawide integrated pest manage-  
4 ment committee.

5           “(2) COMPOSITION.—The areawide integrated  
6 pest management committee shall be composed of  
7 the following:

8           “(A) Three ex officio members consisting  
9 of the following individuals:

10           “(i) The Senior Invasive Species Coor-  
11 dinator of the Department of Agriculture.

12           “(ii) The National Program Leader  
13 for Bio-based Pest Management of the Na-  
14 tional Institute of Food and Agriculture.

15           “(iii) The National Program Leader  
16 for the Invasive Pests of Crops of the Agri-  
17 cultural Research Service.

18           “(B) Nine voting members, representing  
19 stakeholder groups with experience in areawide  
20 research programs carried out by Federal,  
21 State, or private entities, to be appointed by the  
22 Secretary.”.

23           “(2) COMPENSATION.—Section 1413(b) of the  
24 National Agricultural Research, Extension, and

1 Teaching Policy Act of 1977 (7 U.S.C. 3128(b)) is  
2 amended to read as follows:

3 “(b)(1) Subject to paragraphs (2) and (3), members  
4 of the Advisory Board who are not otherwise officers or  
5 employees of the United States shall serve without com-  
6 pensation.

7 “(2) Members of the Advisory Board who are mem-  
8 bers of the areawide integrated pest management com-  
9 mittee established under section 1408C and who are not  
10 otherwise officers or employees of the United States may  
11 receive compensation for serving on the committee.

12 “(3) Members of the Advisory Board and members  
13 of the areawide integrated pest management committee es-  
14 tablished under section 1408C shall, while away from their  
15 homes or regular places of business in the performance  
16 of services under this title, be allowed travel expenses, in-  
17 cluding per diem in lieu of subsistence, in the same man-  
18 ner as persons employed intermittently in the Government  
19 service are allowed expenses under sections 5701 through  
20 5707 of title 5, United States Code.”.

21 **SEC. 3. TRANSFER OF AUTHORITY.**

22 The Secretary shall transfer to the National Institute  
23 of Food and Agriculture, effective not later than 60 days  
24 after the date of the enactment of this Act, the authorities  
25 (including all budget authorities, available appropriations,

1 and personnel), duties, obligations, and related legal and  
2 administrative functions prescribed by law or otherwise  
3 granted to any other agency or official of the Department  
4 of Agriculture under section 406 of the Agricultural Re-  
5 search, Extension, and Education Reform Act of 1998 (7  
6 U.S.C. 7626).
