

114TH CONGRESS
2D SESSION

H. R. 5378

To prohibit the National Science Foundation from conducting a study of the history of standards and standardization in the United States.

IN THE HOUSE OF REPRESENTATIVES

MAY 27, 2016

Mr. SALMON introduced the following bill; which was referred to the Committee on Science, Space, and Technology

A BILL

To prohibit the National Science Foundation from conducting a study of the history of standards and standardization in the United States.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. PROHIBITION.**

4 The National Science Foundation shall not use or
5 provide to others funds for conducting a study of the his-
6 tory of standards and standardization in the United
7 States, including standards relating to uniform systems of
8 weights, measures, timekeeping, electrical units, and prod-

- 1 uct specifications governing everything from screw threads
- 2 to paper sizes.
