## A BILL

To award a Congressional Gold Medal to Don Stephens, President and Founder of Mercy Ships, in recognition of his 38 years of service as the leader of a humanitarian relief organization that exemplifies the compassionate character of America.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

**3 SECTION 1. FINDINGS.**

4       The Congress finds the following:

1                   (1) Mercy Ships was founded in 1978 and has  
2                   worked in more than 70 countries, providing services  
3                   valued at more than \$1.3 billion, treating more than  
4                   2.56 million direct beneficiaries.

5                   (2) Mercy Ships owns and operates the world's  
6                   largest private hospital ship, the Africa Mercy that  
7                   has five state-of-the-art operating rooms and ward  
8                   bed space for 82 patients.

9                   (3) Mercy Ships vessels are staffed by profes-  
10                  sional volunteer crew including surgeons, nurses,  
11                  doctors, dentists, cooks, engineers, agriculturalists,  
12                  teachers, and others.

13                  (4) Mercy Ships has performed more than  
14                  82,000 life-changing or life-saving operations such  
15                  as cleft lip and palate repair, cataract removal, or-

9       tion projects which improve local health care delivery  
10      systems.

11                 (10) Annually, Mercy Ships has over 1,600 vol-  
12       unteers who help in locations around the world, 900  
13       of which serve in Africa. At any given time, there  
14       are more than 400 crew from 40 nations onboard  
15       the Africa Mercy.

16                 (11) The Africa Mercy alone has had over  
17       4,900 crew from 74 countries serve onboard since its  
18       inception in 2007. In addition, more than 950 local  
19       Day Workers from 12 different countries have  
20       served alongside since it first docked in Africa.

21                 (12) Mercy Ships has served some of the  
22       world's poorest populations and completed over 589  
23       port visits in 55 developing nations and 18 developed  
24       nations for a total of 73 nations including: Aus-  
25       tralia, Bahamas, Benin, Belgium, Belize, Brazil,

1       Canada, China, Congo Brazzaville, Columbia, Cuba,  
2       Denmark, Dominican Republic, El Salvador, Esto-  
3       nia, Faroe Islands, Fiji, France, Gabon, The Gam-  
4       bia, Germany, Ghana, Greece, Grenada, Guatemala,  
5       Guinea (West Africa), Guinea-Bissau, Guyana,  
6       Haiti, Honduras, Italy, Ivory Coast, Jamaica,  
7       Korea, Latvia, Liberia, Lithuania, Madagascar,  
8       Malta, Mexico, Montserrat, The Netherlands, New  
9       Caledonia, New Zealand, Nicaragua, Norway, Pan-  
10      ama, Papua New Guinea, Philippines, Poland, Rus-  
11      sia, Samoa, Senegal, Sierra Leone, Solomon Islands,

13      St. Thomas, St. Vincent, Sweden, Tahiti, Togo,  
14      Tonga, Trinidad, the United Kingdom, the United  
15      States, and Vanuatu.

16           (13) Through the years, Mercy Ships has had  
17          four hospital ships that have served in some of the  
18          poorest ports in the world. Those include:

19           (A) The 16,500-ton Africa Mercy is the  
20          world's largest nongovernmental hospital ship  
21          and is dedicated to the continent of Africa.

22           (B) The 522-foot Anastasis was the flag  
23          ship, and completed her first relief mission in  
24          1982 to Guatemala. Her crew of 400 worked in  
25          Africa until she was decommissioned in 2007.

1                             (C) Acquired in 1994, the 265-foot Carib-  
2                             bean Mercy with her crew of 150 focused on the  
3                             Caribbean basin and Central America with its  
4                             Eye Surgery Unit. The ship was sold in 2006.

5                             (D) Donated in 1983, the 172-foot Good  
6                             Samaritan served the Caribbean, Central and  
7                             South America for 11 years with a crew of 60.  
8                             Renamed the Island Mercy, she was redeployed  
9                             to the South Pacific in 1994 and served there  
10                           until sold in 2001.

11                           (E) Mercy Ships is currently building a  
12                           new hospital ship to serve Africa's most needy  
13                           for the next 50 years with delivery expected in  
14                           2018. The new vessel, larger than the Africa  
15                           Mercy, will assume the title of world's largest  
16                           private hospital ship with increased capacity  
17                           building and a focus on healthcare training. It  
18                           will also further the commitment of Mercy  
19                           Ships to provide and promote through teaching,  
20                           safe surgery globally as demonstrated by their  
21                           membership in the G4 Alliance.

22                           (14) Mercy Ships has hosted Presidents and  
23                           other heads of state from many nations around the  
24                           world onboard their hospital ships who commended  
25                           the free health care provided to their people.

1                                 (15) Mercy Ships has been endorsed by Presi-  
2                                 dent Nelson Mandela, President George Bush,  
3                                 Desmund Tutu, President Ellen Johnson Sirleaf, Sir  
4                                 John Major, President Dr. Ernest Bai Koroma,  
5                                 Tony Blair, President Jimmy Carter and First Lady  
6                                 Mary Flake de Flores.
