

114TH CONGRESS
1ST SESSION

H. RES. 59

Recognizing the National Construction Equipment Museum established, operated and maintained by the Historical Construction Equipment Association located in Bowling Green, Ohio, as the National Construction Equipment Museum.

IN THE HOUSE OF REPRESENTATIVES

JANUARY 28, 2015

Mr. LATTA submitted the following resolution; which was referred to the
Committee on Natural Resources

RESOLUTION

Recognizing the National Construction Equipment Museum established, operated and maintained by the Historical Construction Equipment Association located in Bowling Green, Ohio, as the National Construction Equipment Museum.

Whereas the Historical Construction Equipment Association, located in Bowling Green, Ohio, was incorporated in 1987 and organized as a not-for-profit organization in the State of Ohio and is recognized as a 501(c)(3) charitable educational organization by the Internal Revenue Service;

Whereas the Historical Construction Equipment Association is recognized as an official archive of the national construction equipment industry;

Whereas the Historical Construction Equipment Association is devoted to preserving for public education the history of all types of construction, surface mining, and dredging equipment and established the National Construction Equipment Museum in furtherance of this purpose;

Whereas the National Construction Equipment Museum has an extensive collection of restored, historically significant equipment in operating condition for public tours and demonstrations;

Whereas the National Construction Equipment Museum seeks to educate a diverse audience through exceptional exhibits that document the importance of this equipment and these industries in building the Nation's infrastructure while also raising job and career awareness in these fields; and

Whereas the National Construction Equipment Museum is a destination attraction, located in northwest Ohio, an area which has a long history of equipment manufacturing, and is the only public museum of its kind in the Nation: Now, therefore, be it

1 *Resolved*, That the House of Representatives recog-
 2 nizes the National Construction Equipment Museum es-
 3 tablished, operated and maintained by the Historical Con-
 4 struction Equipment Association located in Bowling
 5 Green, Ohio, as the National Construction Equipment
 6 Museum.
