

115TH CONGRESS
1ST SESSION

H. R. 2022

To ensure certain safety measures are utilized in the interest of public health security with respect to labeling and transporting human tissue specimen or collection of specimens into interstate commerce.

IN THE HOUSE OF REPRESENTATIVES

APRIL 6, 2017

Mr. GOSAR introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To ensure certain safety measures are utilized in the interest of public health security with respect to labeling and transporting human tissue specimen or collection of specimens into interstate commerce.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Label and Transport
5 Tissues Safely Act of 2017” or as the “LATTS Act of
6 2017”.

7 **SEC. 2. IN GENERAL.**

8 (a) NON-TRANSPLANT TISSUE BANK LICENSE.—

- 1 (1) PROHIBITION.—No person may introduce or
2 deliver for introduction into interstate commerce any
3 human tissue specimen for medical research or edu-
4 cation unless—
5 (A) a non-transplant tissue bank license is
6 in effect for the entity introducing the human
7 tissue specimen into interstate commerce;
8 (B) each package of the human tissue
9 specimen is labeled with—
10 (i) the proper name of the human tis-
11 sue specimen contained in the package;
12 (ii) the name, address, and applicable
13 license number of the source tissue bank of
14 the human tissue specimen;
15 (iii) a unique donor identifier, the tis-
16 sue type, the cause of death, serological
17 test results, and any known infectious dis-
18 ease agents;
19 (iv) a statement about the mandatory
20 use of personal protective equipment and
21 universal precautions when handling
22 human tissue; and
23 (v) the statement “not for transplan-
24 tation”; and

(C) each package of the human tissue specimen is wrapped and packaged in a manner that—

- (i) mitigates potential contamination and cross contamination;
- (ii) mitigates potential safety hazards;
- (iii) is sealed to prevent leakage; and
- (iv) ensures the integrity of the tissue.

(2) PROCEDURES ESTABLISHED.—

(B) APPROVAL.—The Secretary shall approve a non-transplant tissue bank license application—

20 (I) the human tissue specimens
21 of the applicant are legally donated,
22 properly screened for communicable
23 disease agents, properly labeled,
24 transported, and stored, and used ac-

1 cording to the donor's donation au-
2 thorization;

3 (II) each facility in which the
4 human tissue specimens of the appli-
5 cant are donated, recovered, proc-
6 essed, packed, or held meets stand-
7 ards designed to ensure that the
8 human tissue specimens do not pose a
9 communicable disease risk to the gen-
10 eral public; and

11 (III) the applicant creates, com-
12 piles, and maintains a complete record
13 on each donor from which it recovers
14 a human body or human tissue speci-
15 men for educational or research pur-
16 poses, which record shall include, at a
17 minimum—

18 (aa) documentation dem-
19 onstrating that the donor or the
20 agent making the donation on
21 the donor's behalf has knowingly
22 consented to the anatomical do-
23 nation for educational or re-
24 search purposes;

(bb) documentation showing that the donor or the agent making the donation on the donor's behalf has been informed as to whether the body or human tissue specimens shall be returned to a relative or personal representative or whether the applicant shall arrange and carry out the disposition of the human body or human tissue specimens;

(cc) documentation of the identity and address of each entity which has been in possession of the human body or human tissue specimen before the applicant took possession, such as a funeral home, coroner, hospital, organ procurement organization, or tissue bank; and

(dd) documentation on the use and disposition of each human body or human tissue specimen, including the name and address of each person or en-

(b) FALSELY LABELING OR MARKING PACKAGE OR
CONTAINER; ALTERING LABEL OR MARK.—No person
shall falsely label or mark any package or container of
any human tissue specimen or alter any label or mark on
the package or container of the human tissue specimen
so as to falsify the label or mark.

19 (c) INSPECTION OF FACILITIES.—

1 (2) INSPECTION BY NATIONALLY RECOGNIZED
2 ACCREDITING BODIES.—Any authorized agent of a
3 nationally recognized accrediting body authorized by
4 the Secretary for the purpose, may during all rea-
5 sonable hours enter and inspect any such facility.

6 (3) RULE OF CONSTRUCTION.—Nothing in this
7 Act limits any existing authority of the Attorney
8 General, any State Attorney General, or local law
9 enforcement to enter and inspect any such facility.

10 (d) RECALL OF SPECIMEN PRESENTING IMMINENT
11 HAZARD; VIOLATIONS.—

12 (1) RECALL.—Upon a determination that a
13 human tissue specimen or collection of specimens of
14 a tissue bank licensed under this section presents an
15 imminent or substantial hazard to the public health,
16 the Secretary shall issue an order immediately order-
17 ing the recall of such batch, lot, or other quantity
18 of such product. An order under this paragraph
19 shall be issued in accordance with section 554 of
20 title 5, United State Code.

21 (2) VIOLATIONS.—Any violation of a recall
22 order under paragraph (1) shall subject the violator
23 to a civil penalty of up to \$10,000 per day of viola-
24 tion. The amount of a civil penalty under this para-
25 graph shall, effective December 1 of each calendar

1 year beginning 1 year or more after the effective
2 date of this paragraph, be increased by the percent
3 change in the Consumer Price Index for the base
4 quarter of such year over the Consumer Price Index
5 for the base quarter of the preceding year, adjusted
6 to the nearest $\frac{1}{10}$ of 1 percent. For purposes of this
7 paragraph, the term “base quarter”, as used with
8 respect to a year, means the calendar quarter ending
9 on September 30 of such year, and the price index
10 for a base quarter is the arithmetical mean of such
11 index for the 3 months comprising such quarter.

12 (e) PROHIBITIONS OF SALES AND PURCHASES OF
13 HUMAN TISSUE SPECIMEN.—It shall be unlawful for any
14 person to knowingly sell, acquire, receive, or otherwise
15 transfer any human tissue specimen for valuable consider-
16 ation if the transfer affects interstate commerce.

17 (f) PENALTIES FOR OFFENSES.—Whoever violates
18 any of the provisions of this section shall be imprisoned
19 not more than 1 year, or fined not more than \$10,000,
20 or both. Section 3571 of title 18, United States Code, shall
21 not apply to an offense under this section.

22 (g) CONSTRUCTION WITH OTHER LAWS.—Nothing
23 in this Act (other than subsection (f)) shall be construed
24 as in any way affecting, modifying, repealing, or super-
25 ceding any other provision of Federal law.

1 (h) DEFINITIONS.—For the purposes of this section:

2 (1) Unless the context indicates otherwise, the
3 term “agent” means the person who is expressly au-
4 thorized to make an anatomical donation on the do-
5 nor’s behalf under State law.

6 (2) The term “donor” means a person whose
7 body or whose human tissue specimen is the subject
8 of an anatomical donation.

9 (3) The term “human tissue specimen”—

10 (A) means legally donated anatomical seg-
11 ments, cells, or body fluids (including a com-
12 plete body) that are recovered for medical re-
13 search or education; and

14 (B) does not include a biological product
15 (as defined in section 351 of the Public Health
16 Services Act (42 U.S.C. 262)).

17 (4) The term “valuable consideration” means
18 something of value, but does not include the reason-
19 able payments associated with the removal, transpor-
20 tation, processing, preservation, quality control, stor-
21 age, and lawful disposition of human tissue speci-
22 mens.
