

115TH CONGRESS
1ST SESSION

H. R. 2134

To amend the Endangered Species Act of 1973 to permit Governors of States to regulate intrastate endangered species and intrastate threatened species, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

APRIL 25, 2017

Mr. LUETKEMEYER (for himself and Mr. SESSIONS) introduced the following bill; which was referred to the Committee on Natural Resources

A BILL

To amend the Endangered Species Act of 1973 to permit Governors of States to regulate intrastate endangered species and intrastate threatened species, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Endangered Species
5 Management Self-Determination Act”.

6 **SEC. 2. DEFINITION OF ESA.**

7 In this Act, the term “ESA” means the Endangered
8 Species Act of 1973 (16 U.S.C. 1531 et seq.).

1 **SEC. 3. FINDINGS.**

2 Congress finds that—

3 (1) the ESA was passed in 1973 as a means of
4 protecting and recovering species and has not been
5 substantially revised in over 25 years;

6 (2) the ESA has not achieved its stated goal of
7 recovering threatened species or endangered species;

8 (3) of the species listed in accordance with the
9 ESA, less than 1 percent of the total number of spe-
10 cies in the United States have been recovered and
11 removed from the list, largely due to data errors or
12 other factors;

13 (4) there is—

14 (A) no comprehensive independent study of
15 the costs or benefits of the ESA;

16 (B) no full accounting of how much the
17 Federal Government and State and local gov-
18 ernments spend to implement, enforce, and
19 comply with the ESA; and

20 (C) no meaningful effort to account for the
21 costs the ESA imposes on the private sector;

22 (5) the ESA effectively penalizes landowners for
23 owning endangered species habitat by forcing them
24 to bear the cost of conservation;

25 (6) the regulatory listing process under the
26 ESA has become a tool for environmentalists to un-

1 dermine, slow down, or halt construction of infra-
 2 structure projects, hampering economic growth and
 3 employment; and

4 (7) litigation stemming from the ESA and some
 5 resulting settlements between the litigants and the
 6 Federal Government have made the ESA even more
 7 unworkable, to the detriment of species.

8 **SEC. 4. AMENDMENTS TO THE ENDANGERED SPECIES ACT**
 9 **OF 1973.**
