H. R. 2294

To amend title 5, United States Code, to provide that for purposes of computing the annuity of certain law enforcement officers, any hours worked in excess of the limitation applicable to law enforcement premium pay shall be included in such computation, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MAY 2, 2017

Mr. KING of New York (for himself and Mr. PASCRELL) introduced the following bill; which was referred to the Committee on Oversight and Government Reform, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To amend title 5, United States Code, to provide that for purposes of computing the annuity of certain law enforcement officers, any hours worked in excess of the limitation applicable to law enforcement premium pay shall be included in such computation, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE; FINDINGS.**

2 (a) SHORT TITLE.—This Act may be cited as the
3 “LEO Fair Retirement Act of 2017”.

4 (b) FINDINGS.—Congress finds the following:

5 (1) Federal law enforcement officers are never
6 “off-duty”. They are counted on to respond at any
7 time of the day or night, regardless of their official
8 duty status, to protect the public safety. Outside of
9 our Nation’s armed forces, theirs is the only profes-
10 sion comprised of individuals who are routinely
11 called upon to put their lives on the line to keep
12 America safe.

13 (2) Though the Federal Government may house
14 the largest variety of occupations of any U.S. em-
15 ployer across its panoply of agencies and entities,
16 Federal law enforcement is absolutely unique among
17 them, and the Federal law enforcement officer has
18 no counterpart in the private sector. It is one of the
19 most stressful, most dangerous, and most rewarding
20 careers for those who meet the rigorous require-
21 ments of the job.

22 (3) It was in recognition of the unique nature
23 of the occupation, and the demanding schedules re-
24 quired of those who fill its ranks, that Congress es-
25 tablished distinct pay and benefit systems for Fed-

1 eral law enforcement positions. This includes basic
2 pay, retirement, and even overtime compensation.

3 (4) Under current law, however, the payment of
4 overtime compensation is limited, and is only pay-
5 able to the extent that the payments do not cause
6 the aggregate of the law enforcement officer's bi-
7 weekly or annual pay to exceed the pay caps estab-
8 lished under section 5547 of title 5, United States
9 Code. This often results in a law enforcement officer
10 working significant amounts of overtime hours year
11 after year for which the officer is never com-
12 pensated.

13 (5) In light of the continuing homeland and na-
14 tional security threats facing our Nation, it is in the
15 interest of the Federal Government to ensure that it
16 can continue to recruit and retain the highest caliber
17 personnel by allowing Federal law enforcement offi-
18 cers the opportunity to reclaim full credit in retire-
19 ment for overtime hours worked but never paid.

20 **SEC. 2. COMPUTATION OF ANNUITY FOR HOURS WORKED**

21 **IN EXCESS OF LAW ENFORCEMENT PREMIUM**

22 **PAY LIMITATIONS.**

23 (a) CSRS.—

1 (1) IN GENERAL.—Section 8339 of title 5,
2 United States Code, is amended by adding at the
3 end the following:
4 “(v)(1) Notwithstanding any other provision of this
5 title, including sections 5545a and 5547, and consistent
6 with the requirements of paragraph (2), any premium pay
7 described in section 5547(a) that would have been received
8 by a law enforcement officer but for the limitation pro-
9 vided in such section shall be included in the average pay
10 of such officer for purposes of computing the annuity of
11 such officer under this section.

12 “(2)(A) Paragraph (1) shall not apply unless the law
13 enforcement officer makes a lump-sum payment to the Of-
14 fice in the manner prescribed under this paragraph.

15 “(B) The officer may—

16 “(i) not later than 180 days before the date

19 figure) of—

20 “(I) the lump-sum payment described
21 under subparagraph (C);

22 “(II) the amount of the officer’s monthly
23 annuity payment if the officer elects to make
24 the lump-sum payment and receive an amended

1 annuity that includes the application of para-
2 graph (1); and

3 “(III) the amount of such officer’s monthly
4 annuity payment if the officer does not make
5 such an election; and

15 uted by the officer and the employer under section
16 8334 during the 3 consecutive years used to deter-
17 mine average pay (as described under section
18 8331(4)) if the rate of basic pay of the officer dur-
19 ing such period of years included any premium pay
20 described in section 5547(a) that would have been
21 received by a law enforcement officer but for the
22 limitation provided in such section; and

23 “(ii) the amount that was so contributed during
24 such period of years.

1 “(D) The officer may elect an actuarial annuity re-
2 duction, consistent with regulations prescribed by the Of-
3 fice, in lieu of the lump-sum payment required under sub-
4 paragraphs (B) and (C).

5 “(3) In this subsection, the term ‘law enforcement of-
6 ficer’ has the meaning given the term ‘qualified public
7 safety employee’ in section 72(t)(10) of the Internal Rev-

18 with the requirements of paragraph (2), any premium pay
19 described in section 5547(a) that would have been received
20 by a law enforcement officer but for the limitation pro-
21 vided in such section shall be included in the average pay
22 of such officer for purposes of computing the annuity of
23 such officer under this section.

24 “(2) Paragraph (1) shall not apply unless the law en-
25 forcement officer makes a lump-sum payment to the Office

1 in the same manner as prescribed under section
2 8339(v)(2).

3 “(3) In this subsection, the term ‘law enforcement of-
4 ficer’ has the meaning given the term ‘qualified public
5 safety employee’ in section 72(t)(10) of the Internal Rev-
6 enue Code of 1986.”.
