

115TH CONGRESS
2D SESSION

H. R. 5499

To award a Congressional Gold Medal to Stephen Michael Gleason.

IN THE HOUSE OF REPRESENTATIVES

APRIL 12, 2018

Mr. RICHMOND (for himself, Mrs. McMORRIS RODGERS, and Mr. SCALISE)
introduced the following bill; which was referred to the Committee on Fi-
nancial Services

A BILL

To award a Congressional Gold Medal to Stephen Michael
Gleason.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Stephen Michael Glea-
5 son Congressional Gold Medal Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds the following:

8 (1) Stephen “Steve” Gleason was born March
9 19, 1977, in Spokane, Washington to Mike and Gail
10 Gleason.

1 (2) Steve attended Gonzaga Preparatory School
2 for high school where he excelled as both a football
3 and baseball player.

4 (3) In 1995, Steve enrolled at Washington
5 State University where he was a 2-sport athlete for
6 the baseball and football teams and helped the Cou-
7 gars football team advance to the 1997 Rose Bowl.

8 (4) In 2000, Steve signed a professional football
9 contract with the Indianapolis Colts of the National
10 Football League as an undrafted free agent but
11 later joined the New Orleans Saints in November of
12 that same season.

13 (5) Steve would go on to play 7 more seasons
14 as a member of the New Orleans Saints.

15 (6) Steve will always be remembered for his
16 blocked punt on September 25, 2006, against the
17 Atlanta Falcons, the night the Louisiana Superdome
18 reopened for the first time after Hurricane Katrina
19 in a game the Saints would win 23 to 3.

20 (7) In January, 2011 Steve was diagnosed with
21 amyotrophic lateral sclerosis or ALS, considered a
22 terminal neuro-muscular disease.

23 (8) Following his diagnosis, Steve, with the lov-
24 ing support of his wife, Michel, began a mission to
25 show that patients can not only live but thrive after

1 a diagnosis of ALS and established The Gleason Ini-
2 tiative Foundation also known simply as “Team
3 Gleason”.

4 (9) At the time of his diagnosis, however, Steve
5 said there will be “No White Flags”, which has be-
6 come the mantra of Team Gleason.

7 (10) The Gleason Initiative Foundation helps
8 provide individuals with neuromuscular diseases or
9 injuries with leading edge technology, equipment and
10 services, raises global awareness about ALS to find
11 solutions and an end to the disease, and has helped
12 hundreds of people with ALS experience life adven-
13 tures they never thought possible after their diag-
14 nosis.

15 (11) Steve’s story and mission have been told
16 by the NFL Network, ESPN, HBO, ABC, CBS,
17 CNN, and many local media outlets, as well as in a
18 2016 documentary titled “Gleason”, which was her-
19 alded at the Sundance Film Festival and premiered
20 across the country with Variety calling the produc-
21 tion “an emotional powerhouse”. The documentary
22 won several awards, including the 2016 Washington,
23 D.C. Area Film Critics Association Award for Best
24 Documentary.

1 (12) Steve was named 1 of 2 Sports
2 Illustrated's Inspirations of the Year in 2014, has
3 been a keynote speaker for Microsoft and at 2
4 United Nations sponsored Social Innovation Sum-
5 mits, and received the 2015 George S. Halas Cour-
6 age Award, given to a NFL player, coach or staff
7 member who overcomes the most adversity to suc-
8 ceed.

9 (13) Steve helped advocate for the Steve Glea-
10 son Act of 2015 (Public Law 114–40; 129 Stat.
11 441), and the Steve Gleason Enduring Voices Act of
12 2017, H.R. 2465, 115th Congress (2017), which
13 permanently ensures people living with diseases such
14 as ALS have access to speech generating devices re-
15 gardless of their setting, whether at home or a
16 healthcare institution.

17 (14) In 2014, Steve and Team Gleason hosted
18 a global summit to bring together researchers, pa-
19 tients, caregivers, and all ALS stakeholders to create
20 a plan to ultimately end ALS. That summit resulted
21 in the single largest coordinated and collaborative
22 ALS research project in the world, Answer ALS,
23 which brings together nearly two dozen research in-
24 stitutions, 1,000 patients and 20,000,000,000,000
25 data points that are important to the project and

1 that will define the unknown pathways that will lead
2 to treatments or finally a cure.

3 (15) In 2015, Steve and Microsoft worked to-
4 gether to create a method for people who are com-
5 pletely paralyzed to navigate their power wheelchairs
6 with their eyes. Today, Steve, Microsoft and all
7 wheelchair manufacturers are working collabo-
8 ratively to make it widely available to all who need
9 this technology. Microsoft has also made eye track-
10 ing technology part of all Windows 10 products
11 across the globe.

12 (16) In 2011, 10 months after his diagnosis,
13 Steve and Michel made their most significant accom-
14 plishment, becoming parents to their son Rivers.

15 (17) In addition to serving as advocates for all
16 who are suffering from other debilitating neuro-
17 logical diseases, Steve and Michel Gleason continue
18 to fight to find a solution for ALS so they can share
19 many years together and as parents to Rivers.

20 **SEC. 3. CONGRESSIONAL GOLD MEDAL.**

21 (a) AWARD AUTHORIZED.—The Speaker of the
22 House of Representatives and the President pro tempore
23 of the Senate shall make appropriate arrangements for the
24 award, on behalf of the Congress, of a single gold medal
25 of appropriate design to Stephen Michael Gleason.

1 (b) DESIGN AND STRIKING.—For the purposes of the
2 award referred to in subsection (a), the Secretary of the
3 Treasury (hereafter in this Act referred to as the “Sec-
4 retary”) shall strike the gold medal with suitable emblems,
5 devices, and inscriptions, to be determined by the Sec-
6 retary.

7 **SEC. 4. DUPLICATE MEDALS.**

8 Under such regulations as the Secretary may pre-
9 scribe, the Secretary may strike and sell duplicates in
10 bronze of the gold medal struck under section 3, at a price
11 sufficient to cover the costs of the medals, including labor,
12 materials, dies, use of machinery, and overhead expenses.

13 **SEC. 5. STATUS OF MEDALS.**

14 Medals struck pursuant to this Act are national med-
15 als for purposes of chapter 51 of title 31, United States
16 Code.
